Madeleine Vionnet

Betty Kirke , Issey Miyake (Foreword)

Madeleine Vionnet Betty Kirke , Issey Miyake (Foreword)

This "spectacular tribute to a designer of breathtaking grace and originality" (*Threads*) is the definitive volume on the legendary Madeleine Vionnet's life and work. Now back in print with a fresh new cover, this reissue marks the occasion of the 100th anniversary of the House of Vionnet and the revival of the Vionnet brand. Lavishly illustrated in over 400 photographs, sketches, and with complete patterns for 30 of the most influential designs of this architect among dressmakers, this exquisite volume is an essential reference for fashion students and a vibrant portrait of a grande dame of 20th century couture.

Alexa.elam says

This is reall an incredible book-- a history of the designer Vionnet, together with fabulous photos. The author has created small scale patterns of many of Vionnet's designs, which I have had pretty good luck interpreting into full scale clothing. Terrific!

Gaile says

another talented designer

Allison Thurman says

Beautiful

Mara says

patterns.....!! the draping master.....

Joe says

Amazingly well researched and produced book - worth a high price if you are interested in making gowns. The most interesting part are the patterns after each section showing you how she worked...
