The Devil Has No Mother: Why He's Worse Than You Think- But God is Greater Nicky

“From his experience of a spiritualist childhood in Puerto Rico and gang culture in New York to an international Christian ministry, Nicky Cruz has seen humanity at its best and its worst. Cruz draws on these early experiences and many others from his evangelistic ministry to expound the reality of the devil’s attempts to try everything possible to gain power over individuals and communities. He also shows clearly why God, not the devil, will win! This book contains many stories of the reality of spiritual warfare and draws on New Testament teaching to show why Christians should be bold in the face of evil.” – The Good Book Stall
