Loved this Bible story of Moses and Pharoah and the struggle for the Israelites to get permission to leave Egypt. My little boys love this story and love helping with the parts of the play (it's not necessary to have enough people for the parts). They loved saying some of the repetitive parts with me. Great book for children. I would love to see more Bible stories in play form... and the verse was simple and perfect.

This is written as a play with parts for moses, pharoah, egyptians, a narrator and a chorus. It's fun to check out multiple copies and assign parts in a small group.

This book is hilarious!!! (As long as you have a good read-aloud voice...this is NOT a silent reader!) It's the story of Moses and Pharoah and the plagues. All I could think was where was this book a few months ago when I was doing this story in Sharing time!
