Fur-gotten Milly Taiden
FUR-ocious Lust Short #2

A BBW and her Bear get rowdy!

This is a STANDALONE SHORT. This a NOT a full-length book. This short ends in a happily ever after with no cliffhanger

Karina Roma is a dare-devil curvy woman who fell hard for a sexy, rich bear shifter. Too bad the relationship was one-sided. The only thing she has going in her life is her job and her friends. When her boss signs her and her friends up for a bachelorette auction, this curvy girl is ready to quit, but her friends talk some sense into her. How hard can it be to get on stage and strut her stuff for charity?

Ash Sinclair messed up big time. He lost Kari, the only woman he loved, to his job. But he's tired of sitting around without her and has a plan. One that means abducting the only mate he and his bear want. Hopefully, the plan doesn't backfire on him and he doesn't find himself in a bigger hole.

A night for charity turns into the rehash of their past and possibly a new chapter for their futures. If he can get her to forgive him. Kari wants action before words. Ash needs to show her she's no longer second best to his job. This bear has some tricks up his sleeve...but will his mate give him a chance to prove his love?

Reader Note: This story contains some scorching hot sex. If you have problems with low down dirty hanky-panky, you might want to skip this one. However, if you like a bear who can't get enough of his curvy woman and some cheeky humor, this is the story for you. Enjoy.

More bear-lovin!

Fur-Gotten is definitely better than the first in this series. Again another short sexy read with a BBW and her bear!

Kari is best friends with Penny (from Fur-Bidden) and Julie (from Fur-Given) and considered the nicer of the 3 friends. She fell for Ash Sinclair hard, but to her the relationship was only one-sided.

Ash Sinclair is trying to prove he is more than looks and money. He wants to give Kari a reason to be proud of him. But in his journey to get there he forgot to have a life and put Kari on the back burner. But a year later he's done waiting to see if Kari is going to come back him and the bachelorette auction is the perfect set-up to get Kari to talk to him.

These two characters are perfect for each other. Kari is adventurous, bitchy, and confident in herself, and Ash is more serious and needs Kari to show him how to liven up a bit. Again the sex is just off the charts and Ash is definitely more up to standards on the "alpha" growly bear.

Jodie Bivins says

Is it possible to believe him and what they have

This is the second short of three with three friends that loved and lost each of triplets. Kari and Ash crashed and burned a year ago. The triplet bear shifters set up for each of the girls to be in a charity auction so they could get some time with them. Kari is a smart mouthed curvy woman that feels lied to and that Ash didn't have time for her, choosing his job over here time and time again. Will they be able to work things out? Can she trust him with her heart again. As true to Milly's writing is is super spicy as the passion ignites.

sexy short read

Great Steamy Shortie!

This is a great steamy shortie; this is the second book in the Furocious Lust Shorts by Milly Taiden. Karina is

a curvy woman whose boss has signed her up for a bachelorette auction. She is embarrassed that she will be the one that doesn't get any bids so she gives her friend a whole month's salary to bid on her. Much to her surprise that someone bids 100K for a date with her. When she her ex-boyfriend Ash shows up and she realizes that he is the one who bid on her she is surprised. When he begs her to take him back, she is afraid to trust him again, but the scorching hot sex is still there. I am looking forward to the next book in this series.

This is the second book in the "Furocious Lust Shorts" Series

When love is one sided, do you fight or do you walk away?

After almost a year since that fateful day, can he fight and get back what he was stupid enough to let go. Can love be enough to change what has passed or will he be mateless forever?

Yet again this second book even though a short read is superb! This follows book one, again surrounding the bachelorette auction. The characters are again strong willed, independent and not afraid to voice their opinions.

Getting to understand where things went wrong and trying to win back your one true soulmate seems not too difficult in this series.

The sex is so hot, which makes up for the lack of story! Love alpha males and their dirty talk!

Even though short, hot and to the point, I did enjoy them

Amber says

I don't know whether I should jump in a freezing shower or just swoon over these bears! These books are so sweet and extremely hot! Stubborn sexy shifters and sassy women make for a great read! I'm seriously loving this series and can't wait to get the next book!

Debra Johnson says

Fur-gotten by Milly Taiden is a Paranormal Romance. I would not call it Erotica, nor Adult Romance. It's more like New Adult. You know, that one step above Young Adult. It is sweet and quick, but not exciting. Just sweet and cute.

I have #3 in this series already on my E-Reader. I got all 3 at one time. I was seriously considering not reading anymore of her books. I am not a New Adult, nor Young Adult reader. Then I saw a review on Amazon that said her Paranormal Dating Agency series is "WAY" better.

As far as this series though, I feel I was generous with 3 stars.

I will say if you like sweet, cute, quick paranormal romances without much to them, go for it.

If you are like me and want a lot more from your reads, leave it alone and try one of her other books.

This one was better than book #1 in this series, but not by much.

Rochelle Willis says

This book is about Kari and Ash the 2nd couple in the series. Ash has wanted to talk for Kari for a year to fix his mistake as to why they broke up however nothing happens until he has brought Kari at the bachelorette auction.

Theresa says

Lost but never fur-Gotten...

Adventure, passion, and stubbornness is up next in this short. The Sinclair triplets are back and Ash is more persistent then ever. And now a bit about the story...

After Kari attacks her closet, we are back at the auction. She is worried much like Penny if she will be bought or just thought of as a leftover after all the skinny girls go thru. But then Penny sets the high record for the evening after a stranger bid on her. Now it is time for Kari's adventure. This is one date she is never going to forget!

Favorite passages:

- "Those look bigger than three inches," Kari said. "They might be. Unlike men, I don't estimate up,"
 - "I know. I couldn't think of a better way for us to restart our relationship than to watch the dawning of a new day."
-

Nikki says

Hot, hot, hot!!!!

Furgotten picks up right where Furbidden left off, Kari is unwillingly signed up for a bachelorette auction to raise money for the nonprofit organization she works for. When she meets her date that paid a ridiculous amount of money to have dinner with her, she realizes she's been set up. Ash is a rich werebear who found and lost his mate, Kari, for over a year because he was too stubborn to see that he had taken on too much at work and was ignoring his mate. The auction is his second chance to show Kari that he was stupid to let work take over his life and that they are meant to be together and he won't let her feel forgotten ever again. This was a super fast and short story but holy crap was it hot!!! I can't wait for Julie and Rafe's story!!!

This series is a great fun read and quick spicy bedtime tale or a fast wet your whistle on down time (don't forget the ice) Milly Taiden is never me to forget the steamy hot sex she is known for. along with her wonderful me lines and curvy women, lets not take away panty dropping men!

Karina roma (kira)- was furious with her boss not only did he demand her and her 2 best friends into a dating auction he was making them go after the beautiful slim model type.

penny just received 50k highest of the night and now she had to follow

Ash Sinclair- wanted his mate back. he knew she loved him and always believed she would come back now Ethan had the perfect plan to trap their women to listen to them bid on them at the auction by assistance can Ash convenience Kira to listen and to trust and believe she is the most important thing?

“What we had wasn't f****ing u did f**** you, but there is more to it than that.” he pressed his mouth to hers and quickly pulled back, unable to resist the tempting sight of her full lush lips.” i owned your body. i didn't just take you. i stamped myself into your soul

I enjoyed this story. A male's determination is a powerful trait.

The second book in this Furocious series is love story for Karina & Ash!

Karina Roma is next to walk down the runway for the Bachelorette auction.....the curvy beauty is bought at top dollar by the sexy bear shifter Ash Sinclair. Karina has it bad for Ash, who sees his job as more important then the woman he loves. Ash knows Karina is his mate and will stop at nothing to win her back.

The sexual tension and chemistry between these two is so hot your kindle may melt while reading the ever so hot love scenes. The amazing Milly Taiden is such a wonderful author and the queen of smut and struts her stuff in this one big time!

Allison Gill says

Book 2 in the Furocious Lust Shorts series

These books are definitely short, but as with the first book, it is packed full of a good story. The first book set a good bit of this book up, so you get straight into it. It's also all new information, so no going back over things from the first book.

Karina wanted to be number one to Ash, but his number one was his job.

One year later he wants to prove to Karina that she is more important to him than his job.
