Julius McCarter says

Judah Smith's Jesus is For You: Stories of God's Relentless Love is an amazing, beautiful little devotional that is a nourishment for weary souls. It's just the book I needed lately, precisely because Smith focuses on God's grace in Jesus Christ that extends to everyone in the very darkest, most obscure moments of our lives, those moments just when we're sure that God can't possibly be for us.

This, in fact, is the kind of devotional that you end up handing out to friends, simply because it's message is that powerful. In between these 1-3 page passages are quotes from Judah Smith and Bible verses -- set on beautiful photography. It is broken out into three parts: "Jesus Is...," "Jesus Gives...," and "Jesus Is There When..." Made of a durable hardback binding, this is a devotional that will continue to nourish those weary souls for years to come.

Georgia Herod says

"If God is for us, who can be against us?" God is for us! Smith, author of best-selling Jesus Is for You, declares that reality using Scripture, pithy statements of truth, and living illustrations—22 brief personal stories by men and women whose lives illustrate who Jesus is, what He gives, or how He is present in every aspect of life today. All emphasize the truth that Jesus is for us, 100%. Amazing grace abounds from every page!

In gift book format (5 ¾ x 6 ¾ inches) with beautiful photography behind the text, it can easily be read within an hour, but the truths will pull the reader back to ponder: "Grace is more than a principle, more than an idea, more than a doctrine or dogma, more than a cover-up for sin. Grace is a person. And His name is Jesus."

My Review

Rating: 4 1/2 stars

Jesus Is For You is a book filled with real life stories that tell us what it is like to truly experience Jesus in our everyday lives. Not just when we've cleaned up our act and become "perfect". That to come to Jesus is to come just as you are.

Jesus Is For You by Judah Smith is a small little gift book filled with beautiful pictures, stories and verses that all communicate the truth that Jesus is entirely and completely on your side and in your corner. I love Judah Smith. I love his passion to help all people realize how deeply God loves them. This book does just that. This would be a great book to give to a new Christian - perhaps a Baptism gift or something that could be given out in a new Christian's class. It is both beautiful and encouraging. It's also a very easy and quick read. The majority of the book is filled with quotes, verses and beautiful pictures. It could very easily be used as a daily devotional book or to provide verses that one could memorize. This little book is broken up into three sections (Jesus is..., Jesus Gives..., & Jesus is there when...). Each section has stories from various individuals about grace, transformation, Christ encounters and salvation.

Regardless of your story, you can find encouragement in this little book by Judah Smith. You might even gain a better understanding of who Jesus really is and what that means for you. This book is light in words, but rich in love and inspiration.

I received Jesus Is For You by Judah Smith from www.booklookblogger.com for free in return for my honest review. This book is a gift book/table book style meaning it is very short and sweet. It would be great for someone who just needs a little reminder of how much God loves them and also that they are not alone. It is full of scriptural promises and also has testimonies from every day people woven throughout it. The book has gorgeous photography on every page which captivates you and brings you peace as you read the stories and scriptures.

As you can tell this book is meant to be an encouragement to someone (and it is). I look forward to passing this sweet little book on to someone that may need a little love, hope, and joy. Judah Smith has quickly become one of my favorite authors and I hope that this book will bring delight to all who read it.

The messages and the pictures were awesome! Some stories however felt like it was really made short but still a good read.
