Ride Trilogy Jayne Blue

If only he had resisted the gorgeous girl next door...

Mace

MMA fighter Mace Alois can't lose and that's the problem. His old bosses paid him to. He was supposed to take a dive and didn't so his only option was run or die. He thought working across the ocean would be far enough. He was wrong. They've found him. This time he can't run because they've also found his weakness. The gorgeous, innocent, woman who lives next door, and he can't keep his hands off. They're going to use her against him and he's going to have to fight to keep her safe.

The man next door is dead sexy...

Raleigh

Raleigh's new neighbor is tough, sexy, looks dangerous as sin, and she can't get enough. They share a combustible chemistry that connects them instantly. But Mace is all muscle and contradiction. The MMA fighter looks at her with a fire in his eyes, but tells her she needs to stay away. His mouth says go and the rest of his muscled body says stay, in a million ways.

Mace is a weapon in the cage and when forces threaten to pull him from Raleigh he'll have to ride it out or lose her forever.

Ride Trilogy Book One is the first book in a steamy MMA fighter romance series with a possessive alpha male and a young heroine on the emotional ride of her life. This romantic suspense MMA fighter romance contains a cliffhanger. Ride Trilogy takes you back to the 21C Fighting League and the sexy MMA fighters of the Great Wolf Gym from Jayne Blue's Hold Trilogy

? One Click Romance ? says

"We are going to be together, that is non-negotiable so we're going to have to be honest with each other. We've both been hiding something. In my case, it is big." ~ Raleigh

MMA fighter, Mace is on the run from people who've ruined his life. He's trying to remain the loner, never really getting attached to anyone, his past won't let him. Then he meets Raleigh.

Raleigh is a no nonsense woman that lives in constant fear of something she has no control over. And she finds herself instantly attracted to her brooding neighbor and she realizes she's ready to step out of her comfort zone...

Will their attraction bring love or will the secrets they keep tear them apart?

Jayne Blue really knows how to reel 'em in and keep'em hooked.

Victoria says

It is a great book to read

Robyn Shanks says

Excellent Read!!!!

Mace is on the run from some bad people. He keeps to himself but when he meets his neighbor he wishes his life wasn't like it was. Raleigh is beautiful & he wants her. He tries to resist but he can't. He's putting her in danger being with him. His worst fears come true & he has to fight to keep her alive. Loved it. Thanks.

Angie ~aka Reading Machine~ says

Mace Alois lost everything he loved being MMA Fighter that wouldn't take a dive like he was suppose too. Mace thought he could remain anonymous and not let anyone get close to him again. All that changes with Raleigh Gibson. Raleigh Gibson doesn't know what kind of dog owner would leave Estelle for long period of time without checking in. When Raleigh spies Estelle's owner determined to give him a piece of her mind. Raleigh didn't expect there to be sparks and fire when meeting Mace. Raleigh has lived her life in the fear of her illness taking over her life any more than it has. Yet there is something about Mace that drives Raleigh confidence to new levels. Will Mace allow Raleigh to really know him? Can Mace escape his past? Is there a future for Mace and Raleigh? Find out in Ride Trilogy:MMA Romance.

This new to me author crafted a story that is bold and compelling to read on many levels. I definitely want to continue this series. The characters and story have hooked me in I've got to know what happens next.

Treena Beavers says

I loved the way the characters first meet.

Mace a MMA fighter has just arrived back to his apartment he's barely through the door and he's being well and truly taken down a peg by Raleigh his sweet looking neighbour.

He's slightly flummoxed by his gorgeous neighbour and her fury towards him for apparently abandoning Estelle, his precious little white ball of fluff.

Being the Sexy French Gentleman that he is he allows her to finish giving him hell, before sweeping her off her feet. The chemistry between the main characters is addictive, so much passion unleashed.

Throughout the first book inbetween the neighbourly attraction there are hints about Mace's past. He's running from something or someone, more to know & intrigued to find out....I'm racing straight on to book 2!

I received this ARC in exchange for an honest review.

Lita Thomas says

Ride 1(Ride Trilogy #1) by Jayne Blue. Mace Alois is a MMA fighter who is running from his past. He never stays in one place to long. He can no longer compete but stays on the outside of the sport he loves so much. He has no friends and a girlfriend is out of the question. After being on the road for 3 weeks he comes home to find he has a new neighbor. Raleigh, like the city is trying to get her life back. After a terrible accident she is finally able to live on her own with the assistant of Andrew and each day she is able to venture further away from her apartment. One day she is given a dog to watch till the owner who is a neighbor she has not met returns. When the neighbor returns she is surprised by the instant sparks that fly between and the handsome hunk. Mace is shocked at the attraction he has for his beautiful neighborhood. This is a tale of a guy on the run from some dangerous people and a girl trying to reclaim her life. This was quite the story and I enjoyed their journey to a new beginning. I was given a copy of this book for an honest review and I give this story 4 stars.

I received this ARC from the author in exchange for a honest review

Ride Trilogy #1 by Jayne Blue

Mace Alois is an ex MMA fighter and on the run. When he gets into trouble with the mob for not wanting to throw a fight, he decides to get away before they kill him. He thought been on the opposite side of the world would be far enough, but it wasn't and they found him. He can't run, because now he has a weakness, someone he cares about. His got no choice, his going to have to fight.

Raleigh Gibson is a hacker who helps people and their companies with their security. Her new neighbor is big and sexy, with a look of danger about him. She feels an instant connection with him and their chemistry is explosive. But the MMA fighter struggles with his feelings for her. When he looks at her he has hunger in

his eyes, but his indecisive.

Mace is death and darkness in the cage, and he will smash heads in if they keep Raleigh from him. He will do whatever they tell him, to keep her safe but is it enough.

This is book one in the trilogy series, Ride. This was a really sweet story about two people who struggle with the realities of life to be together. The storyline was interesting and entertaining, and I loved the characters. Mace is a sexy and deadly MMA fighter, and Raleigh is a security hacker who has become an agoraphobic, because she suffers from severe seizures. She's beautiful and tough, but vulnerable at the same time. My only niggle with this book is that the editing was not good, there were lots of spelling errors. Otherwise overall this was a really enjoyable read. It contains a cliffhanger and should be read in order.

♥? Paulette says

Book – 1- Ride (Ride Trilogy #1)

Author – Jayne Blue

Publication Date – Oct 9, 2015

Type – Part of Series

Genre – MMA Romantic Suspense

Rating –5 Stars

It was such an honor and privilege to read this book well in advance of its release. I received a free copy as an ARC for an honest review

Jayne Blue I've enjoyed plenty of her other books. So I was so happy to be given opportunity to give my opinion on her new Series "Ride"

They share a combustible chemistry that connects them instantly.

This is the first in a new series, and frankly I excited by it. By guessing by the ending of the book this series is going to be one hell of a "Ride"

So the story starts off with Raleigh being ask to watch her Neighbor dog, Lil did Raleigh know that was the beginning of the " Ride " of her life....Mace has been on the run since that fatal night 5 years ago, not willing to trust anyone until now (Raleigh) Hopefully Mace will not eat those words. They're going to use her against him and he's going to have to fight to keep her safe.

Watching Raleigh & Mace fall for each other should have lightened it a bit but there was always the fear that Mace would decide to run again... Mace still had the fear that Raleigh was at danger cuz she was associated with him . Surely five years was enough, but Mace wasn't willing to take the risk with Raleigh life...

When they said they owned you they did. When you ignored their orders they would punish you.

This book contains characters from The Hold trilogy & the Great Wolves MC series. It was nice to see of the characters again... That's one the reason I love Jayne Blue books

This contains a cliffhanger.

I really enjoyed this one – it's a great MMA "Romantic" Suspense "

I am looking forward to the next addition to this Trilogy..... I am so glad that I will not have to wait long for

the next installment

Ride Trilogy Book 1- - Release Date Oct 9, 2015

Ride Trilogy Book 2- - Release Date Nov 13, 2015

Ride Trilogy Book 3- - Coming Soon

I would definitely recommend this book... The plot was well thought out

Claclou says

Poor inclusion of French

Lisa says

Mace Alois is a fighter in hiding. We first meet him when he is helping to train the Preacher's Son Zeke during the Hold Trilogy. With Zeke gone, eyes are starting to travel to Mace. He was undefeated before he seemed to drop off the face of the earth. Now he has reappeared at the GWG to help fighters with their ground game. The only thing he cares about right now is his dog Estelle.

Raleigh has just recently moved into an apartment with her service dog, when all of a sudden her elderly neighbor thrusts some dog named Estelle at her begging her to watch the cute little thing while the owner is away. The elderly lady has a family emergency and Raleigh can't stand to leave the little thing stranded. A couple weeks later she finally meets the owner of Estelle, Mace. As pissed off at him as she is for "abandoning" his beloved dog, she can't help but notice how hot he is and the sexy as hell French accent he has. When he offers to pay her back, Raleigh sees it as a way to get to know her hot new neighbor and maybe get to experience life again--life that she has been hiding from for the past year.

As Mace and Raleigh's relationship heats up, Mace's past catches up with him. He's not willing to have another person hurt because of him. What is to happen in this new relationship? Will he be able to keep history from repeating itself, or is he doomed to become a puppet to the mob once again?

I love reading about the GWG fighters and their women. So much intensity and passion both in the ring and out. Unlike the Hold series, Mace does not crave the spotlight like Craddock--in fact he's trying to avoid it. Makes for an interesting read since one hero is so different from the other. If you liked the Hold Trilogy, you'll love this one as well!

****I received an ARC in exchange for an honest review****

Barb VanderWel says

I love this & I can't wait for more.

I will be also leaving a review on Goodreads @ Amazon.

And letting everyone know about it.

So i gave it a 5 Stars.

Carol says

Halting

The book was choppy. I liked the main characters, but was often confused about the story line. The criminal part was ridiculous. They would have not been played with but murdered. Overall if Author had a good reader to double highlight areas needed improvements it would have been much better, get a blunt third party that actually likes romance books.

Jenny (Jenz Book Jewels) says

I loved The Torrid Trilogy & signed up to Jayne Blue's website and I was lucky to receive a *free ARC copy of this book in exchange for an honest review*

This book contains characters from The Hold trilogy & the Great Wolves MC series. Mace is a natural fighter and should fight for the championship but he has been on the run for 5 years trying to stay out of the limelight to keep himself & his family in France safe. He meets his new neighbour & there's an instant attraction but he doesn't want to get involved and put her in danger.

Raleigh storms into Mace's life mad at him for abandoning poor Estelle but she also feels the instant attraction too. A year ago she had to make major changes to her life due health issues. She works from home so she doesn't put herself or anyone else at risk again.

Is he safe?
Is Raleigh safe?
Are his family safe?

OMG!! What a cliff hanger can't wait for Ride 2

Racy says

I received this for an honest review. This makes the second book I have read for Jayne Blue and have enjoyed both books a lot.

There were things about Raleigh Gibson. She had her secrets and fears. She was afraid to wonder to far from home. Scared if she did she would have a seizure. There was many fears that came with this. The fear of someone seeing and the fear of no one around to get help.

Mace Alois was on the run. He tried to keep people at arm's length. He had the mafia after him and knew what they were capable of. Mace was a great fighter, but knew he could not afford to get in the wring ever again.

Things between Mace and Raleigh really heat up. Mace can be very confusing for Raleigh, for one minute he was hot and the next he was cold. She could not understand what would bring on these changes in personality but knew he had a secret.

This is the 1st book in the series and I have to say I am so looking forward to reading book 2.

Cheshire Cat says

I'm giving this 2 stars because I think with grammar check the story would be good but the missing and wrong pronouns and other grammar errors ruined the book for me.
