Very nice and clean review. Nothing that I didn't already know, though!

Great guide. I am using this guide to plan every aspect of a future trip to San Diego. From the hotel section to the beaches section to the must see attractions this book has been extremely helpful. I wish I had had this book when I had visited San Diego several years ago.

Kimberly says

Gave me some great ideas for things to do in San Diego. There was a nice section with must sees depending on the length of your stay. Not as helpful for restuarants for people with special diet needs.
