Just Like Me Josephine Young

'From a bale of hay nestled in the back
of a farmers barn came a loud CRACK.
Hidden in the straw lay a trembling egg
and out burst a wing followed by a leg.'

But what kind of baby is he? Join the tot as he meets the other farm animals when he sets out to discover who is "Just Like Me." With irresistible illustrations and comic, rhyming text this book will quickly have children joining in with the fun and asking for more.

Ages 3-4
