Boom Town Trevor Scott

Private Investigator Tony Caruso lives out of his rolling office, an old Ford pickup truck, with his German-trained bomb-sniffing dog, Panzer, a Giant Schnauzer. Tony retired after twenty years in the Navy as an aviation ordnanceman, but this training might not be enough when he is hired by an old friend to look into a murder suicide in Bend, Oregon, a resort Boom Town in the high desert east of the Cascades. Was it a murder suicide as the local sheriff thinks? Or has this idyllic community been ripped apart by not only murder but scandalous sexual deviance, lust, jealousy and the quest for the almighty dollar? Follow Tony as he wades through a cast of characters as diverse as the Oregon landscape to solve this mystery.

Boom town

More than a little unbelievable in the relationship between the various characters Tony Caruso runs into even for a small town in the Pacific northwest. Panzer was the best friend he had and the most believable, but even he was too good to be true.
