The Rotten Seed Gloria Lynn

A California family witness unforeseen murders of family members while police search for clues and the clock keeps ticking. Who will be next? Set in the hills above San Diego, California, where Don Luis Estoban establishes Rancho De Oro hoping to keep his holdings prosperous for future generations. In the 1950 s, after great wealth is gained, Arturo Estoban marries a San Francisco socialite and together they have three sons, Juan, Gustavo, and Ricardo, to carry on the Estoban name. Gustavo grows into a destructive bully with carnal desires. His greed and lust affects every family member and as he matures into a man he continues to battle his inner demons. A sudden chain of events leads to several questionable murders within the Estoban Clan and unsolved cases at the police department continue to increase, yet, in each case, everyone in the family has an iron clad alibis. There is no question that someone is out for revenge; but who? In this complex mystery, a California family is shocked by the death of family members and must help the police find clues to stop the killings before another member is found dead. "

Barbara Leuthe says

A very interesting family saga. Be prepared for death and mafia. Each brother had a unique perspective on family and life. I received this book free as a part of goodreads giveaways.

Michelle Arredondo says

The Rotten Seed....a twist and turn kinda read. Gloria Lynn...a published poet...can also do a but of mystery and intrigue writing. An easy flowing read of an intricate tale. It's the 1800's. Set way above the San Diego hills in California...Rancho De Oro established by Don Luis Estoban with the goal of establishing and maintaining wealth and prosperity not just for himself but future generations. Arturo Estoban marries a wealthy sociaite...they have a few kids and one grows up to be a real piece of work...maniacal and destructive...some murders occur...all hell breaks loose. Twist and turns...a nice little bit of mystery and suspense.

A quick and somewhat enjoyable read.

Thanks as always to the great people of goodreads and to Gloria Lynn for my free copy of this book in exchange for an honest review to which I gladly and voluntarily gave.
