Strategic Staffing

Jean Phillips

Strategic Staffing Jean Phillips

Where the strategy of staffing and business align. *Strategic Staffing* prepares all current and future managers to take a strategic and modern approach to the identification, attraction, selection, deployment, and retention of talent. Grounded in research but full of real-world examples, this text describes how organizations can develop a staffing strategy that reinforces business strategy, leverages staffing technology, and evaluates and improves staffing systems.

This edition includes new and relevant topics on staffing that readers will be able to immediately apply in their future careers.

Rachel Aranda says

A very informative book that taught me different components of the hiring process and the strategies used within companies. I will probably keep this book as it will be quite useful in my career.
