Rock-A-Bye Baby Debbie Macomber

Available for the first time in ebook, enjoy this classic novella by favorite romantic storyteller #1 *New York Times* bestselling author Debbie Macomber

Originally published in 1995.

Against his wishes, John Osborn's mother hires an assistant for his antiques shop. One glance and John knows that Dani is unsuitable—she's too pretty, off-beat and vivacious for the business. John is certain that she won't last past the summer in his sleepy seaside town. But Dani is determined to prove herself so she can rebuild her life and repair her broken heart, and she's going to do it in Ocean Shores. The store sparks her creativity, even if a vintage cradle uncomfortably awakens her buried longing for a family of her own. Her warmth and empathy make her a natural at sales, and despite himself, John starts to like her. But John was deeply wounded by the only woman he ever thought he'd love, so he keeps himself buttoned up and guarded. He may have to admit that Dani is the best thing that's ever happened to the store...but is she also the best thing that's ever happened to him?

From Reader Review Rock-A-Bye Baby for online ebook

Carol Lee says

Good

Finding when you are trying not to. Happiness comes to us when we least expect it to. Letting go if the last to build a future with the right person.

Antonella says

I do not know why I read this, complete mystery to me. This is comfort, HEA, predictable, short read with no baby in it, none. Not even twinkle in their eyes, not even accidental pregnancy.

Carol B Davis says

Fun

This book was fun to read and lighthearted. If you need a pick me up I suggest you read it.

Nancy Freeman says

No Surprise

From the second chapter it was evident what would happen. No surprises. But was fun to read and as always a happy ending.
