Barbara says

This version of the Easter story is very simple, and is short enough to read to a very young child, or to have them read it to you. I have a Nook classic, so the illustrations are in black and white. They are good illustrations, and would probably be beautiful on a Nook Color.

Jessica Van Vleet says

great for young children... plus it was free on amazon!!

Kristy says

Adorable!! Great pictures, great children's version of the Bible story. Definitely a MUST for kids. :D

Randie D. Camp, M.S. says

Read this with my four-year-old this morning (Easter morning). My only complaint is that the text didn't always correspond with the picture but my son didn't mind at all :)

Bill Tillman says

Ok for an early childhood picture book its not bad. But why does Jesus have buggy eyes?

GenieD says

Granddaughter liked it. Reads on the i-phone in color.

Zuzana says
