Ann Hoyle says

Marcia says

Powell Long destroyed the lives of 4 people when he believed the lies of Sally about his fiancée, Antonia, and cancelled their wedding the day before it was to take place. Nine years later, Sally is dead, Maggie his daughter is unloved, because he doubts she is even his and Antonia has never allowed herself to feel for another man. She has stayed away from home for 9 years, but now believes she is dying and wants to be with her father. Now that she is back, Powell hates her out of guilt but also still loves her. It is too late for Sally, but can the lives of the survivors be saved? A very powerful book.

Chris Linhart says

It wasn't a bad book just not one of my favorites of Diana Palmer Stories

Linda says

What can I say, it's Diana Palmer! I enjoyed Texas Born which is a new story and also enjoyed rereading Maggie's Dad too which is the 2nd story in this edition.

Erin says

I like Diana Palmer books, but this was not one of my favorites. I tend to dislike when there are multiple stories in a book as the stories miss a lot. In the first book, the story jumps 4 years in one paragraph! Though the stories glossed over many details, this book still had my bedside lamp burning into the night.

Geraldine Sadiku says

2 Wonderful older style romance with strong alpha males and strong heroines.

Debbie Brimingham says

I enjoy reading Diana Palmer. Her books are easy reading, bits of history and little bits of information, thrown into the mix

Both books were good cozy evening reads!

Texas Born had a pretty good start, a sudden stop, and began again. I got a little lost in the shuffle but as with any romance, it ended well.

Maggie's Dad made me want to slap all involved parties! But all's well that ends well.

Glenda says

This was not one of her better books. Michelle was too naive for her age. I knew from reading the book that Roberta had a problem.

In Maggie's Dad, I was mad with both Antonia and Powell. Antonia went to church at first but held a grudge for so long

Sandy Forman-Johnson says

a great 2 for 1
