Grim: The Beginning Glenna Maynard

Alternate cover for this ASIN can be found here

Disclaimer If you are easily offended by hot, dirty biker books, then this is not the book for you. However if you love panty melting alpha males with a mouth on them then enjoy the ride.

My name is Grim and this is the beginning... This isn't a fairytale romance or for the faint of heart. Deep in the hills of Drag Creek Kentucky, there is a group of outlaws, whose love of moonshine and motorcycles runs through their blood. We are known as the Black Rebel Riders' MC. For the past twenty years my club has been at war with a rival MC, The Devils Rejects.

Jessica (Angie & Jessica's Dreamy Reads) says

Unfortunately, I could not connect with this story at all. It had a lot of editing issues, lack of punctuation, etc. I can overlook little things, but I had even more issue with the dialogue. Grim is a biker and so he speaks with a grungy slang. That's fine. But a lot of his dialogue and inner monologue mixed up that slang with dialogue that almost felt too formal. The lack of contractions in a lot of the prose made it feel too stiff, not relaxed at all for biker banter. It just didn't flow naturally.

The story was pretty cliché, not much different from what most biker books and tv shows have come to be. It lacked originality and with that in conjunction with the editing mishaps that continually removed me from the story, I felt hugely disconnected.

Keeana Bookalicious Babes Blog says

This book was very interesting heartbreaking I really enjoyed this story line and were it leads Glenna dose a great job with the characters and Grimm oh my I love him all I can say is you should really read this book you won't be disappointed just make sure you have your tissue paper handy

Janja says

This is crap..just pure crap...

I ashamed that i was waisting my time for this book.

booklover says

Absolutely loved it !!

This is the introduction of The Black Rebel Riders and tells the story of Grim and Gypsy red. He doesn't know what it is about her (apart from her milky skin and flame red hair) but before her he never wanted to CLAIM any woman as his old lady, but then Red turns up and has him breaking all the club rules. What is it about her ? Why does he want her so much ?? Can he change for her ? Can she really change her Gypsy ways and settle down ? All will be revealed x

Colleen Everly says

Raw in your face kind of book. Loved it! Grim is so hardcore, you would not think he could be capable of love. Red is just as hardcore yet she brings out the best in him. I found this book to be quite emotional. I was in tears for Grim and Red. Don't get me wrong I am not an emotional person so when a book affects me to the point of tears that tells me it's an awesome book, very well written to make me feel the need to actually cry, usually I'm like oh that's sad but no tears and with this book there were actually streaks down my face. Well done author Well done. Can't wait to read the next book in this series.

Claire Ledger-Shaw says

Needs to come with a health warning

Really needed a health warning to read this book.
Tears streaming down my face, just when I thought Grim would get his love, it's taken. Heart breaking!
Can't wait to read the rest now

Tantalizing says

OH. MY. GOD!
Amazing!
Hot as hell, Raw, Roller Coaster, Edgy, Tearjerker and so much more.

I was hooked the moment I started reading and was not let go until I was thrown out the door onto my butt at the end.

Grim is everything a biker should be. He's not soft. He's rugged and wild. He knows he is not good and he does not hide that fact when Gypsy Red walks into his life, but there is something about her that draws him to her and vice versa.

Red causing Grim to experience a side of himself he never knew he had... a romantic side. Things with her weren't just simple in and out sex like with the club whores, he wanted more with her.

From here on out there are nothing but twists and turns in this roller coaster of a story that try to separate Grim and Red. I had a few "WTF! Grim!" moments.

There is a plot twist that will make the emotional cry. Your heart breaks, tears will fall and you will be left broken. I shouted "Why?!" at my Kindle.

Another wonderful from Glenna Maynard, as always. I cannot wait to read more about the Black Rebels Riders' MC.

Paganalexandria says

I received this book in exchange for an honest review. This is a decent length biker novella, set in Kentucky, and revolves around the Black Rebel Riders MC. Grim is second to head man in charge, and Red is the biker chick of his dreams. I am a little unsure of how to rate this book.

The Good:

1. Everything is told from Grim's perspective which negates my normal distaste for first person narratives (too many annoying heroines tainted it for me).
2. The story is gritty, and doesn't white wash the outlaw biker lifestyle.
3. The couple has believable sexual chemistry.
4. Grim is very alpha, but willing to admit his wrongs, and not too prideful to apologize.
5. I like the how the options for more books are laid out nicely without feeling like obvious "series bait."
6. The wrap up made sense, and made me happy I stuck with it.

The Bad:

1. I didn't find the couple's meeting and insta-relationship believable.
2. I knew Red was pretty, but nothing beyond the physical made her special.
3. There was so much information in Red's backstory, but none of it made me understand her that well.

Conclusion:

This had a few issues, but the wrap up helped ease some of them. I liked it, but didn't love it. I'm at crush status, but hopefully the next installment can seal the deal.

A??ela W. says

This was a really good book. Grim is a dark sexy alpha male VP of the Black Rebel Riders' MC. His world is stopped when he finds Red on the side of the road, broken and battered so he takes her back to the clubhouse. This was a wild hot read that reminded me of a tv show that use to come on. He was so sweet to her, even though it was out of his character to care for others besides his brothers in his motorcycle club. The club is at war with Devils Rejects. This book was full of twist and hot dirty sex and I loved it. This was the first book in a new series too me and my first time reading this author this book was well written with no errors in grammar or spelling the book was too short I wanted more the ending was a surprise to me and I am looking forward to reading the next book in this series.

Tia Thomas-Blakey says

Oh wow, Grim. I loved it, but i'm in tears right now. My heart is hurting. I want more, That was a great book

Fil says

Just didn't work for me.

Could not connect with characters, story, or emotionally. Could not figure out if the H was strong tortured soul or wimp

For the Love of Books & Alcohol Blog says

Grim is a quick read with plenty of story packed in. It centers on the Black rebel Riders MC and their ongoing struggle with the Devil's Rejects. Grim is living his life and minding his own business when he finds a beauty on the side of the road and brings her home.

This is a great beginning to what I think will be an awesome MC series. The plot was unique and clever. The danger in what they were doing was delivered beautifully. It felt real. I connected with each character and with an MC book, there is an entire community of characters to meet. With only 138 pages, I was quite impressed with how much story we received and how strong the story was.

I am not a fan of instalove. The relationship between Grim and Red felt fast for me, but then again, nothing about their lives is conventional. The book ended with loose ends, but I assume they are tied up in the next book or at least continued. I look forward to reading the next one!

I give this book 3.5 stars and pair it with a Captain & Coke.

ARC generously provided in exchange for an honest review.

[Red dies and Grim wants revenge (hide spoiler)]

Lisa Cullinan says

Great start

Grim is the first story in the Black Rebel Riders MC Series. Grim Jones, VP, and Slim Black, President, have some bad history with rival club, Devils Rejects. Things are gonna go from bad to worse when the Rejects President, Hook, looks to seek revenge after his son gets killed by his own woman and she (Red) winds up at the Rebels' clubhouse for protection. She also ends up with Grim and is pregnant with his baby. Nothing's easy or sugarcoated in this lifestyle ~ it's survival of the fittest and heartache for the rest. On to book two ~
