Holiday Spirits Yasmine Galenorn

When Kip gets himself in serious trouble, a strange spirit enters the house—one that at first poses as Santa Claus. But beneath that jolly exterior, lies a dark creature from legend and lore. Join Emerald O'Brien for the holidays, as she battles both psychic turbulence as well as the demons every mother faces when her child lands in trouble with the law.

barbara liddle says

Can't wait for the next book

Yasmin's must be one of my all time favorite authors I've loved all her books so far but I absolutely love this series! It has everything magic mayhem, family, friends and lot's of love read last three books in three days gutted I have to wait for the next one now!!

Robin Siota Breeding says

A holiday spirit

I loved the addition of the holiday spirit. I won't spoil the surprise by mentioning the name. I thought the story had good potential but seemed rushed. So much more could have been added to fill out the story. I like the characters and I like that Nana drops by to help. Please give us a full story next time!

Faye says

Read: September 2017

It has been several years since the end of Yasmine Galenorn's wonderful *Chintz 'n' China* paranormal mystery series, and I remember how adamant Galenorn was for a long time that the series was finished and there would be no more new books. I am so pleased that she relented and wrote another instalment; albeit as a novella rather than a full length novel. *Holiday Spirits* is a Christmas themed story, centering around a festive yet sinister spirit lurking in the basement of Emerald's house. As well as having to cope with this development, Emerald is also struggling with her feelings about her two children growing up and worries for their futures.

Holiday Spirits was a lovely little read on a rainy afternoon, and I thoroughly enjoyed it.

Rating: 4/5 stars

Ivy says

5 ?

Nice to see Emerald and the gang again. Yay!!! Krampus!!! Hope Kip will get his act together. Also hope Randa will do good in college. Glad Roy is doing better. Congratulations to Murray and Jimbo.

Nikolina Iliyana Pierce says

Always fun to revisit this awesome and interesting world.

Seraphia says

Holiday Spirits by Yasmine Galenorn is a Chintz 'n China mysteries novella. In this short story we are reunited with Emerald, Kip, Miranda and Joe a year or two after their wedding. A nasty spirit has shown up in their basement with a friend and he's not what he appears to be. This spirit has been pulled there and he intends to do his worst if he can. Emerald must now figure out not only who this spirit is but why it's there and quickly figure out how to get rid of it. But first she'll have to deal with Joe having an accident and Kip getting into some serious trouble with the law thanks to his best friend Sly but this time it will be the breaking point for Emerald concerning that juvenile.

Holiday Spirits is a good paced book that hooks you in from the beginning as you dive in wanting to know what all is new with this family. This book focuses more on Kip for a change and he is in some deep trouble when he pulls a stunt that lands him in trouble with the law and in deeper trouble with his mother. What Kip doesn't know is that he has opened the door for this dark spirit to come into their home and seek to harm him especially. Emerald definitely has her hands full with trying to keep her family safe but with help from her Nanna and Maeve, a good friend who could easily be a guardian angel for her, she should be able to evict the spirit without too much of a fight...hopefully.

This is an engaging read and it will be over before you know it. I really enjoyed it for sure and just could not help shaking my head at Kip and even at Sly at the situations that they find themselves in but it really brings everything to light concerning Sly and his family as well which I really like. There was a single error that caught my eye in this book so look out for that one but other than that this book is written really well and clean with a couple pleasant surprises thrown in which I really liked.

All in all I thoroughly enjoyed this book and while there will be no more Chintz 'n China mysteries I feel that this book does a good job closing while still being open ended to allow us to imagine Emerald and Joe's lives in the years to come. Like any fan I'd love more but I'm content at the same time. I give this book 5 out of 5 stars.

I received a copy of this book in exchange for a voluntary review.

Sue says

This one was not my favorite of the series. It was too short to give the characters much time to develop. the spirit was an ugly Christmas spirit, and that sort of made me feel sad about the holidays. Joe got injured again- I know the characters spend alot of time at the ER but I felt that the plot was had been mostly done before. I still like the characters, and thought Emerald did a great job of parenting Kip in this one- but the book lacked something for me.

Carlin says

I'm dad I have finished this series and will miss the characters. I have this book 4* only because it was a novella.

Carolyn Jenkins says

You'd Better Be Good For Goodness Sake

When Kip gets into trouble he attracts the attention of a dangerous spirit. It is up to Emerald and her friends to not only save Kip from the spirit, but to also turn his life around. This is a good story for parents with preteens and teens. It might help show how to help a child who has gone astray but is basically a good kid.

Mary Waltermann says

Short and sweet

A really nice holiday story. I love all the books in this series. I especially like that the magical aspects are treated with respect and with knowledge. Bravo!!

Diane ~Firefly~ says

[Krampus was a great choice for the spirit, although I feel bad for Kip and his poor choices. (hide spoiler)]

Heather Kelley says

A wonderful set of books!

Read the set cover to cover and thoroughly enjoyed them. So, what now do I read next? Beautifully captured detail!

Diana Nunez says

This one was very entering and a quick read. Excellent story. I recommend it to everyone.

Excellent read. I recommend it to everyone. Yasmine does a great job of drawing readers into her stories. Love them all.

Nancy L Katz says

Series

Having read the fill series I enjoyed all of it and look forward The r next series knowing that there so I not be

a dull moment in it.

Freda Witt says

cute little story about a "witch" who runs a tea shop, lives with her two children.
