Josh says

Great read

Art work is great story is a bit weak but still worth it. Really cool seeing these three team up

Sean Goh says

Three of Marvel's "those who walk on the edge of the abyss" antiheroes team up to fight Blackheart, twice. And that's pretty much it.

Chad says

Collects both of the team-ups of Marvel's most popular characters of the early 90's. Both times they fight Blackheart, Mephisto's son, who tries to convince them to join him in overthrowing his father to create a gentler Hell. There's not much story here but the art in both books is good.
