Rebecca says

This hero was a spy, but also kind of a douchebag. Heroine was not much better. Not much you can do with that.

Alex says

It was great in the beginning but the way it ended was just....unsatisfactory....I think it was due to the fact that throughout the sex scene there was just too much dialogue going on.

Kali celemen says

what a lousy ending!

Jennifer says

Thin plot premise, but likable enough characters. No bodice ripping until the last fifty pages though, which is always a bummer. :P

Query: Can you ever really give a trashy romance novel higher than two stars? I say no, just on principle alone! Okay, maybe three stars at most. Opinions??

Elgyn says

Spousta rybářských vřcí, sociální linka a úplně nereálný otevřený konec.

s. 182 *A jeho líbáňky připomínají spíš horskou dráhu.*
Horská dráha v roce 1848?

Zajímalo by mě, co je v originále.

s. 271 „Myslíš, že se z našeho tance zrodí dítě?“ (...) „Dobrotivý bože, dnes jsi mi jich dala dvanáct. Kolik bys jich ještě chtěla mít?“ (...) „Představ si, kdybychom měli opravdový **měsíc**.“

s. 68 *Ztracen?, chytil rybu!*

s. 79 *pokračovala: „Mohu*

s. 171 „*Douglasi*

uvozovky - s. 293

Phyllicia says

I didn't like the abrupt change of heart in Jared at the end. I wish that he eased into Kate's cause as that would have been more believable.

Lyre says

Well, what a surprise end. The heroine has stolen from 3 richest men in Britain for her "charitable corporation" then got a HEA, fleshing my Three Essential Views.

Pam says

I enjoyed the heroines Moxy.

Maudley says

She's effervescent, he's ultra-reserved. Just the thing for an enjoyable read.

Maura says

I'm kinda with everyone else here that the ending was not that great. And this is another of those romance books with a marauding heroine who falls in love with every street urchin she finds and has to take them in to her family. I just don't care much for those kinds of books. Especially when the couple's future happiness (i.e., the heroine deciding to stay) depends on whether or not the hero can learn to love these kids as his own (And there's somewhere around 10 kids in this book) And yeah, the ending does not seem likely. (view spoiler)

Michael says

Average, but fun, historical

Monique Takens says

Ik heb de Nederlands talige versie gelezen ; Candlelight Historische roman 845 - Vannacht van jou . Goed en origineel verhaal maar helaas nogal hijgerig . Het voortdurende - hijg , kwijl , ik wil met haar naar bed , was zo irritant dat ik hele stukken tekst overgeslagen heb .

Samantha says

This book was great, right up until the end. It ended faaaar too suddenly for my tastes and with so many questions left unanswered. There wasn't even an epilogue to satisfy my curiosity.

Marie Phillip says

Good story. I enjoyed the humor scattered throughout the book.

Michelle K. says

I was excited because this book definitely was stereotypical in the beginning. About half way through it became very predictable. The ending was ridiculous. Even in the fantasy world of romances, it would never be possible.
