**The BIG Event**

## Invitation to a wedding

Nothing could have kept Antoinette Streeton away from her brother's marriage into the influential Beresford family, not even knowing how shocked they all were at her current lifestyle. Four years in Europe had put a sophisticated gloss on her stunning looks, and she presented a seductive temptation to Byrne Beresford, the formidable head of his family's vast Australian cattle empire.

Looking spectacular in her bridesmaid's dress, Toni had a radiance about her which Byrne found increasingly hard to resist. Surely one wedding couldn't lead to another? Toni was totally unsuited to become *this* Beresford's bride.

**One special occasion—that changed your life forever!**

## From Reader Review Beresford's Bride for online ebook

### **Ethar says**

Well that was a fun read . The hero was so considerate and very much in love . I recommend it to anyone who would like to be in good mood.

### **Julie C-F says**

This book is full of contradictions and innuendoes. To grow up looking like your mother whom almost everyone hates sure puts a damper of showing others who you truly are.
