A Moonlit Night: The Beast Within Adrianna White

Nothing was going right for the summoner, Emily Johansson, and her bloodthirsty companions. The revelation of the hidden Temple of Prometheus had presented more problems than it did solutions, and with it a brother possessed by otherworldly forces, a ticking time bomb just waiting to explode.

The recently crowned vampire queen, Lady Amata, was consolidating her power, attempting to tip the scales in her favor. What she couldn't have foreseen was that the vampire hunters themselves had already put her plans into motion.
