'Getting in too deep' was never an option for Talon... until he met Everly. She's shaking up the entire world he's created, but he is unaware that there are secrets behind her lust filled eyes.

Another Devil Call MC member's life is on the line and Talon sees it as his chance to finally get revenge and earn the club's respect back.

Rachel Riley-meek says

Getting tired

I am honestly not a fan of series that have half dozen or more short books. I may not have started this one if I knew and if it wasn't on kindle unlimited I would have given up already. Pretty good story overall but I am getting tired of waiting for the next one.

Helen says

Book 4 every bit as good as 3,2,or1

Now to wait for the next exciting book in the Everly, Layne and Talon series. Thanks Ana for a great ride I can hardly wait to see where you go from here.

Sandy Emary says

I'm hooked!

Lisa Cullinan says

This MC is Crazy!!!!

Everyone has secrets and there's murder and yes, mayhem at every turn. I'm in such a tailspin that I don't know who's lying or who's telling the truth. One minute I can't stand Everly; the next, I feel a bit sorry for her. Someone needs to stand up and claim president for some type of order for this club. Right now ... COMPLETE ANARCHY!!!! On to Book Five ...

Line says

Everly's indecision and Talon and Layne's dancing around the hot sauce is beginning to frustrate me a little and I would love to have an ending to this story soon.. I like these books don't get me wrong but it begins to slightly drag

Amy Plank says

Now we get Talon sleeping with someone that's not Everly. Of course it's to save Everly and the MC,

seriously? Then Everly gets a picture of it and of course, she goes back to Layne's room.

Elaine says

Amazing

Talon is trying to right his wrong doings only to get in deeper.
Everly is still torn between both men. I almost just want them both to have at her.
Layne is still fighting his past and trying to go forward.
This is just getting hotter and wetter...I mean better.

Annmarie says

3.5 stars

Some spoilers:

Well, once again Talon fucks someone else. If you missed it, that's okay, Everly has a picture of it you can see. At least he uses a condom though, that was considerate. Oh, and he thinks of Everly the whole time, you know, because now he says he loves her...smh. He is sort of manipulated into doing it because of some twisted club/personal business he has to settle but still. I just ...ugh... Anywho, this green lights Everly and Layne to finally take it past a kiss , aaaaaannnnndddd it's a YES from me folks, your going to Hollywood! Finally! I love Layne, Talon will always stray, it's who he is, Layne is such a stand up guy I hope he and Everly end up together and they leave the club.

Courtney says

need more

Just when it's hitting it peak....bam ends!!!! There is some serious issue in the MC...no trust & secrets....holding on for more of this wild ride!!

Morilyn says

Convolutd story line.

Peppermaud says

Saw that one coming...lol

Kattz says

Good Book. Lots of sexual content and lots of violence. Characters are getting more and more interesting.

Lenna Wright-Berry says

[How could Talon cheat with that multiplicative bitch Jade (view spoiler)

Alycia Dillman says

Amazing

I can not wait until the next book and to find out what will happen between Everly, layne and Talon. Beverly cannot decide who she wants and loves them both but Talon might have messed up or will she forgive him because she slept with Layne? I cannot wait to find out who the president will be or if the Mc will fall apart.
