Secrets of World War II Sean McCollum

World War II was the most destructive war in history. Millions upon millions of people died, including innocent civilians. Both sides--the Allies and Axis Powers--pursued secret plans, tactics, and weapons to destroy each other resulting in horrors on a scale never before seen. Secrets of World War II reveals little-known stories of the people, weapons, and battles that have affected the maps on our walls and the allegiances in our hearts.
