A Perfectly Split Christmas: A Split Short Story J.B. Salisbury

New York Times and *USA Today* bestselling author JB Salisbury ignites this holiday season with a short story so addictive you'll hate to see it end.

Can Christmas survive the split?

Only a couple months after Lucas and Shyann met, they're faced with their first Christmas as a couple.

While Shy tries to convince Lucas to relax and enjoy his very first holiday, he struggles with what it means to be loved for exactly who he is.

Surprises await for the unique couple making this Christmas one they won't soon forget.

From Reader Review A Perfectly Split Christmas: A Split Short Story for online ebook

Kris Duplisea says

This comes with a warning. This is not a novella but rather a short story. While in the back of my mind I thought it was a novella, I should have listened when JB said it would be short. Guess it was just wishful thinking. But there is still a warning with this. I would read this short story or review until you've read Split. There will be major spoilers in the review.

Anyways, we join our beloved characters as they are looking for the perfect Christmas tree. Like Lucas we all know that doesn't exist. But Lucas tries. Bless his heart.

Gage on the other hand sees Shyann's suffering and wants her to be happy but thinks that is best with Lucas. It's an inward battle as Shyann gets Gage to come and play and makes him see that she wants both of them the way they are. It's an unorthodox threesome but it's beautiful story of loving someone for ALL of who they are.

I really enjoyed the character of Gage/Lucas. He is literally the perfect man. He is a good guy with a bad boy inside. And Shyann is the lucky little devil that gets to have both.

Kelli Santistevan says

This was a cute story.

Norma says

Interesting.

The empathy in this prelude makes you want to purchase the book Split. A perfectly Split Christmas was different get entertaining.

Tpagirl says

A Perfectly Split Christmas was a very short follow up to Split by JB Salsbury. It was uber short and sweet. It read more like a final chapter or an epilogue for Split and didn't have a lot of substance. It was nice to catch up but I would have liked to see a little more - not necessary conflict but maybe the actual Christmas, a wedding, a birth or something. Even so, I love both Lucas and Shyann so I loved catching up.

Christy says

I love Christmas stories! This was a little insight to Lucas and Shy's first Christmas. For all fans of Split pick this one up for free! Won't take but 30 minutes or so to read!

******4 Stars******

I really loved Split when I read it recently and was so excited when I found out J.B. Salsbury had released a Christmas short story of Lucas and Shyann's first Christmas together. I love Christmas stories and would definitely recommend this to anyone who loved Split. It is a very short story, it took absolutely no time to read but don't read this one if you haven't read Split first as you will be spoiled.

Becky says

Another Christmas romance but this one is one for the records. MFM romance but... The M/M part is the same man with split personality. Soo I'm thinking dang this is a new one for me! Gage and Lucas each have unique personalities each soft and hot all at the same time but if be lying if I said I could get into this short read. I tried to pretend two separate men but the story and maybe me, but I just couldn't. Not my cuppa!

J.E. Benoit says

After years of fighting and hiding we've finally found the love and acceptance of another person and it's in her love that we've become free.

I was bringing up Split on Amazon to leave my review and stumbled upon this bonus Christmas story and was so excited for more Lucas, Shyanna and of course Gage! This is a super quick read and takes place a few months after the end of Split but before the epilogue. I loved seeing this little glimpse into their first Christmas together and how they are settling into this unconventional relationship. It was sexy and super sweet and I was glad to get to spend even just a few more moments with these great characters!

Jaime Fiction Fangirls Book Review says

***You must read SPLIT to appreciate this short, sweet and sexy follow-up story.**

Paige says

This was basically a really short extended epilogue to Split. Got to see a bit of all three characters and watched their HEA play out for a just a bit more. It ends at 50% though with the first part of Split included at the end.

Beautiful Short Story that goes with the Original book Split (so you need to read that before reading this book) *sigh ... I could read tons of those - as this is a really unique plot

★5 STARS!★

?I missed Shyann, Lucas and Gage! Split is probably the most unique book I have read and it kinda gives me a love triangle vibe - but I'm okay with it...strangely.

?This short story gives us a window into the lives of Shyann and Lucas around Christmas time. With Gage gone for over a month, it's about time he makes a reappearance. There also may or may not be a proposal involved ;)

If you haven't read Split yet, I highly recommend!

A little birdie told me... says

Short but sweet.
