A Smart Girl's Guide To Style: How To Have Fun With Fashion, Shop Smart, And Let Your Personal Style Shine Through Sharon Cindrich , Shannon Laskey (Illustrator)

Girls love expressing their personality through the outfits they create. This book will help them explore their own one-of-a-kind sense of style. Girls will take quizzes to figure out which looks make them feel comfortable and confident. They'll find tips for how to shop smart and handle disagreements with parents over the clothes they buy and wear. And they'll get advice from other girls on how to ignore fashion critics and stay true to themselves.

Great book

Great book

I enjoyed it!

I think that from now on I will have a much better sense of fashion than I did before I highly recommend this book ps.(THIS BOOK SUCKS TRULY) don't get it!

Kat2117 says

i think this book lets you express yourself and your style or how you dress.I gave a five star because of that reason.

Jessica says

I really like this book. I teaches you to be your self and do your own style. I like this book because it gives you ideas and it tells you what looks best and how it would look the best. I like the ideas it gives me and I would love to read it soon.

Dee Dee says

I thought this book was great. It really made me realize how I could be different than other girls. I really loved it.
