Explore Eastern Europe's top cities, from the romantic spires of Prague and the steamy thermal baths of Budapest to charming Kraków and laid-back Ljubljana. Enjoy the imperial sights of Vienna and walking tours of exotic Dubrovnik. Then delve into the region's natural wonders: hike through the waterfall wonderland at Plitvice Lakes National Park, drive the winding road to the Julian Alps, and watch the sun dip slowly into the Adriatic from the Dalmatian Coast.

Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll learn which sights are worth your time and money, and how to get around by train, bus, car, and boat. I wish he delved further EAST into Eastern Europe but whenever it comes the time for this trip for me, I will definitely be glancing back at Rick Steves.

Good overview of some of the locations we traveled to on our recent trip to Central Europe : Prague, Salzburg, Vienna, Budapest and Poland. I prefer Rick Steves' books to other guidebooks that I've used, and this edition did not disappoint. Important to do what he recommends: take a box cutter and cut it up. Otherwise the size of this huge book will discourage traveling with it.

Elizabeth Tilley says
