## **The Beauty Of The Mist** May McGoldrick

In this forbidden romance-at-sea, a beautiful young woman betrothed to the king of Scotland flees for Antwerp. The rugged commander of the Scottish flagship is sent to retrieve her, but instead falls for her mysterious beauty. Finding herself in the arms of the man she had hoped to avoid amidst the thick sea fog, the bride-to-be holds back her true identity. When her secrets come crashing down around them, will she choose freedom or her beloved Highlander?

### Geovanna Maya says

No esperaba tanto de este libro y la verdad me gusto demasiado el trama, el romance, los personajes que agradaban así como odiaba.

Aunque el final debe ser obvio con la historia ya no sabias que pensar porque llegaba aun punto donde era muy bueno para que siguiera así el resto del libro; también me gusto el tema histórico en que se baso la autora.

Si recomiendo el libro si les gusta el género :3

### Clara Babinski says

I really enjoyed the Macpherson brothers trilogy. The authors have managed to create strong characters that have fought wars but can still be tender and have a strong moral compass that guides them through their lives and leads to their ultimate destiny. I Loved all three books!

#### History comes to life

This trilogy has been a great adventure into this time in history. The authors have done a fabulous job in weaving something of history into each of these books.

#### Great trilogy

Wonderful books, all three. Have added them to favorite collection, so I may read again at later date. Loved each H\H. Medieval romance lovers must read. Highly recommended.

#### Lovely book

The rating is indicative of the quality of the writing as well as the wonderful story itself. These historical characters are well developed, & the heroes & heroines become well loved. Thank you for another beautiful novel of love, honor, & devotion to do the right thing.

### **A Couple of Hearts**

John Macpherson and Maria, Queen of Hungary are the hero and heroine of this novel. Their love story starts as he saves her from disaster as she is running away from a second marriage arranged by her brother. She joins the rest of the Macpherson family of unique characters and strong women. John has the nickname Jack of Hearts and Maria is eventually the Queen of his heart. A very enjoyable book. The series is great!

Highly recommend. Such passion, loyalty, and love are found in the Macpherson men. The strength drawn from that family makes you feel secure, wanted, and oh so loved.

## **Betsy says**

The story was great and engrossing from start to finish. However, the version of the book I read had numerous errors in the typesetting or editing, with words omitted and homonyms used incorrectly (there for their, for example). One error would be forgotten, but this was so frequent it became a distraction.
