Beautiful Scars D.L. Johnson

Growing up was not easy for Chantelle. At an early age her innocent eyes witnessed some of the ugliness the world had to offer. Determined not to be like her mother, she sets out to find her own path in life. With her new found freedom and her best friend Shaundra leading the way, Chantelle quickly falls into the fast paced night life laced with partying, men and drinking. Through it all she just wants the one thing that she never had, love. But after a failed relationship leaves her feeling lost and alone, she holds onto what she knew to be solid and true, her deep rooted friendship with Shaundra. When life serves up another horrible blow she's left questioning not only her friendship but also herself. Join Chantelle on her journey as she learns when to love and when to let go.

Goodread says

Great read

Traceylee says

Why

Why

This book had a lot of drama in it. But it also showed how she was finally able to except herself after what had been done to her. And she was able to let go of the past and move on.

Deborah Bean says

Beautiful Scars by D. L. Johnson is a lovely book that kept my interest and emotions engaged throughout the entire story. I am sure that I am not the only one who wanted to choke out Chantelles's supposed best friend Shaun. With all of the drama that Chantelle had to put up with, you would think that her best friend would support her. Instead, Shaun was all about herself. This story will show you how strong a person's spirit really is and the circumstances that change a person's life forever.

D. L. Johnson wrote this story in the vernacular of the area and with a passion that draws the reader in. The characters have so much depth that I felt like I would recognize them should they ever walked down the street. I did find myself aggravated at the main character a few times with how immature she would act or how she would blindly follow Shaun. This is, however, what also kept the story interesting. I give this story a solid 4 stars and the hope that I will be seeing more from this author in the future.

Littleowl says

Good story and characters. However, the language is awfully vulgar and there are too many grammar and spelling errors.

Angie says

I enjoyed this book immensely. The author gave the main character a lot of depth phone, and the story has a great message. Yes, the use of street language is raw, but I believe that enhanced the story. That being said, I think the story could be improved by an editor. The misspellings and incorrect usage of some words was distracting.
