Every page of the *Jesus-Centered Bible* opens your eyes to fresh ways of seeing the Savior. And the closer you get to Jesus, the more you discover your true identity and purpose in life. You'll finally see how every part of your life can revolve around Jesus himself. The *Jesus-Centered Bible* gives you an extraordinary Scripture experience that draws you to Jesus in unexpected ways. It's the first-ever Bible that shows Jesus in every book, highlighting how all the Old Testament points to Jesus, how all the New Testament reveals Jesus, and how Jesus can transform your life in more ways than you ever imagined. Dive into Jesus' story from extraordinary perspectives. See just how much Jesus saturates page after page of the Bible, from beginning to end. You'll never look at Scripture the same way again.

Blue-Letter Text reveals hundreds of Old Testament connections to Jesus, with short explanations tied to each reference that show how Jesus is the focal point for all of the Bible's narrative. **Jesus In Every Book** introductions for Old and New Testament books, written by authors and leaders who are well-known for their focus on Jesus, draw you closer to Jesus as you discover how all of Scripture connects to him.

Reframing Jesus Break-Outs take you far beyond the Sunday school Jesus into the meaningful back-stories and cultural context of the real people, places, and social forces that formed the geography of Jesus' ministry. Short essays called **Jesus Answers Life's Biggest Questions** focus on Jesus' own words, helping you tackle your uncertainties head-on and make sense of your personal struggles, doubts, and fears. The Jesus Questions will draw you closer to Jesus and others through provocative and surprising discussion-starters about Jesus and his influence on our lives. And The **Red-Letter Names of Jesus** focus on the "red thread" of Jesus through the rest of the New Testament by highlighting in red every time his name is mentioned, including all of the "nicknames" the writers of the Bible use for him.

Fables&Wren says

WrensReads Review:

So I wanted to rate the actual Bible that I have been reading out of for the past year.

This edition I got with "Wren" in the bottom right hand corner from Christian Book Store. When you get a Bible with your name in the corner, it kind of gives you all the feels that this book is actually yours and no one else can claim it because your name is literally sewn into the cover of it.

THIS EDITION IS GLORIOUS.

There are blue and red text in this book.

Red Letters are known for things that Jesus says or things that God does in the New Testament. But the Blue letters are for the Old Testament and make you see things in a different light. So things are pointed out to you differently with this edition.

I think it is important as a Christian to take on reading the Bible in a year. It isn't easy and it is a big commitment, but it is a wondrous feat. It isn't easy to actually study in this way though, which is why I will be going back and studying certain chapters and stories and books and taking my time doing it.
