Puppy Love - World's Cutest Puppies: Dog Facts and Picture Book for Kids Speedy Publishing

Kids do indeed love books on animals. This is because a child is absolutely captivated by animals. The encyclopedia of animals is especially appealing to all kids. Kids are fascinated by any book on animals. Animal books are loved by kids and the animals do indeed inspire them. Kids will be completely entertained and will stay interested with a book that holds their interest. Kids love learning about the animals.

Stephanie says

Some facts about puppies and cute photographs.

Rebekah Abercrombie says

I loved it!

It was hilarious!
I highly recommend it
Please read it!
There are the cutest puppies!
I loved it !
Read it!

Chloe Victoria says

Er mer gerd these pupies are so cute

I will love me. I'm a complete don't down band as . she said curse words and I will say most is my butt but this run review is my but. The book I Will love me the book I don't need a boy who will say most is my but this run review is my but this run review is my but this run review is my but this run review is my but this run review is my but this run review is my but this run ref this run review is my but with faith to UST and pixidust it is possible at of big booty which is mine I am Jim kardashian a d I eat celery at of a complete don't need a boy who will you the book I will love me I'm a complete don't need a complete don't need a complete don't need a complete don't down band

Ava Stinson says

Cute

This was a great book but it should a dog peeing on the floor.I read it to my little friend she loved it you should read this book

Amaya stovall says

I like this book

Love is book
I don't like it I love it
I want more books
No
No
No
Amaya stovall I love this book

Katie says

The photos in this were beautiful. Someone did a great job taking and editing them. However, the pages with the text on them were hard to read. Someone needs to re-edit this and change those pages so that you can read them easier. Also, it was really annoying that the full spread pictures, were cut in half and on separate pages. If those things were changed, that would make this book much more enjoyable.

Overall, nice puppy book.

Eileen Carter says

The photographs of the puppies are outstanding. So full of color that children and adults of all ages will enjoy looking at them. The puppies are a variety of breeds so that children can see which breed of dog they might like better.

But the best part of this book are the unique facts about puppies. As I read this short book, I was astonished to learn information like puppies are born without teeth, sleep as much as a newborn human, and when they turn a year old they are as old as a 15 year human. These are facts that I was not aware of with puppies.

Parents and children can use this book to learn more about their puppy before getting one, looking at the pictures decide which type of puppy they would prefer as well as just enjoying reading a book together. Teachers will find this book useful in their classrooms for children to use as a reference when writing a report on puppies or dogs.

Patti says

Awesome

Gracie says

I LOVE this book

Andrew Jackson says

Its cool

elizabeth says

Best book ever

It was my most favorite book ever published! It is so cute. So so cute!!! I love this book. LOVE it.

Eddie Grafer says

Analisa Roche says

Aww

Really, an entire puppy picture book? So adorable! Love it because of the cuteness and the fun facts as well.

Sarah C Nick says

Kirsten Royal says

Puppies!!!!

I choose this book to be rated because it tells u facts about dogs and what they do and then they show cute puppies with bunnies, kitties, and more
