kehadiran seorang bayi bikin suasana desa smurf jadi berbeda. semua smurf perhatian sama si bayi smurf. termasuk smurf gerutu. bahkan dia bela-belain sembunyiin smurf bayi ketika nyonya bangau kembali lagi untuk membawa bayi yang salah kirim tersebut.

aku gak suka nyonya bangau

Beh, la storia del Baby Puffo mi è piaciuta, soprattutto perché Brontolone ha un ruolo importante. E tutti sanno che ho un debole per Brontolone.

Anche Inventore di solito mi sta simpatico, ma nella seconda storia di questa raccolta mi veniva da tirargli il collo. Di solito è sveglio; qui proprio non capiva che nessuno apprezza dei buchi fatti a casaccio sui propri oggetti.

Nelle ultime due compare anche Garghi, ma poretto, non fa una bella fine.

L'ho letto mentre aspettavo che il computer completasse la procedura di chiusura. Poi, dopo aver finito il fumetto, mi son stufata e l'ho spento con le cattive.

Just read this book on my iPod Touch. I didn't know there's a downloadable app for Smurf Comics!

#14 is about Baby Smurf. A very cute and light hearted read. One day, the stock delivered a baby smurf to the Smurf's Village. Everyone loved him and he was too cute for words. However he was delivered by mistake - and Grouchy Smurf wouldn't let him go. It turns out that though he was the one whining about Baby Smurf, he actually was the one who loves him a lot. What irony. Lol.

Cute and funny scenes on how Grouchy Smurf protects Baby Smurf. :)

Die Blondine drängt sich in den Vordergrund

Mit diesem Band scheint sich die Schtroumpfette als echte Dorfbewohnerin zu etablieren; immer noch spinnen die anderen Schlümpfe, wenn sie sie auch nur sehen. Was sie aber mit der Wasserstoffblondine tun würden, wenn sie sie mal in einer romantischen Minute allein ins Pilzhäuschen kriegen würden, bleibt unklar - zumindest die Fortpflanzung läuft bei Schlumpfens offensichtlich wirklich über den Storch, wie man hier zu sehen bekommt. Die anderen Geschichten drehen sich um Hornissenbohrmaschinen und Gargamel im Hasenkostüm. Also für jeden etwas dabei!
