Victoria says

It was okay, but they really don't know how to write sentences sometimes. There were many times that my husband and I had to reread things because they were just oddly written. However, it was encouraging and a nice thing to read before bed each night together.

Tracie says

in all honesty we (husband and i) did not complete this book. we are shopping around for daily devotional books for couples.

we tried a 34 day sample of this book (free on kindle)and completed that much of the book.

we did not completely dislike the book but didn't feel it was the right fit for us.

so giving this one 2 stars, it was just 'ok'

Shelley says

Shell and I have used several different devotionals in 20 years. For ones aimed at married couples, this has been the best.

Audrey says

This devotional book is great so far. My husband and I are going through it each night along with Dr. James Dobson's Night Light for Parents. Excellent Devotional.

Iain Hamill says

As per Day 237 I agree 100% with my wife's opinion at all times and therefore it's easier to just see her review below.

Don says

A good story, biblical message about marriage, faithfulness, our relationship with God, and love.

Saw the movie first (Fireproof) with my wife then read the book...

the moving was emotionally stirring for all who have been involved with an unfaithful partner...

Emilie says

Not incredibly in-depth, but it was a good daily reminder to be intentional with your marriage. The challenges were fun, and something I think we will continue. Overall, it was not meant to blow your mind and faith to a new level, but more of a maintenance tool.

Amanda says

I don't think this should have been a year long devotional. Some of the weekly dares were really corny and the entries were just stretching it a bit. But as a whole, not bad. A nice book to do together. Each day was only a page long so we could sit down and read together and it would only take about 5 minutes.

Taryn says

Last time I read this we went slowly, every day reading 1 or sometimes 2 entries. This time it was basically just refreshing, remembering and bringing to the forefront things that may have been put to the back burner. I absolutely love this, one of my all time favorite devotion books! If you're a first time reader, read it slowly, don't read 10 pages a day or more, give yourself time to digest what it's saying, meditate on it, and let it really sink into your heart. It can change your life and marriage if you let it

Jacque says

I found this to be a very good devotional. It had the grounds to be able to help me with my relationship both with God and my husband. It was interesting and it gave me a lot to think about.

This devotional helps people with all of their relationships not just their marriage. It is based off of the movie Fireproof. It gives devotionals for each day of the year and these devotionals work on the relationships of marriage and God. It does give some information about other relationships with people around you as well. It also tells you about how God expects His people to live.

This devotional was very good. I bought this one for myself. I found it to be very interesting and relevant to my life.

Tara Manna says

Beautifully Written!

I am enjoying these daily devotions. They are not only for a marriage, but also for everyday relationships whether it be with a tried and true friendship but also for those daily encounters with strangers.

Tabitha says

This was an easy way to reconnect with my spouse. We have each read it separately, but we also plan to read this together as well. Having young children it is hard to find time to do a lot of reading each day. these devotionals are short, sweet and to the point!

Brent Soderstrum says

My wife and I just completed this devotional. Each day dealt with a different aspect of love in a marriage. It began with a Bible verse and ended with either a Bible reading, a challenge or questions for the couple to address. Anything that gets a couple to read God's word together and then pray together is a good thing.

Keiki Hendrix says

The family that prays together, stays together. And the couples that allow Jesus to be the glue that keeps them together simply cannot fail.

How can I say that in our society today? Read it for yourself in I Corinthians 13:8. "Love Never Fails.."

Everyone can spare a few minutes each day for a short devotion. If you cannot spare that much time to receive instruction that offers you a 'never failing' truth about love, this is not the Devotional for you.

The Love Dare Day by Day: A Year of Devotions for Couples, Unabridged Audio CD is an excellent help in cementing a marriage. A year of devotions based on the New York Times Bestselling book The Love Dare is presented in short, two minute, meditations and provides five devotions per week.

For those that are technology savvy, the product arrives in 8 CD's that can easily be uploaded to a play list for mp3 players.

For the teachable Christian, this is an excellent resource, whether single or married. Just as in the movie Fireproof and in all other editions of the book, The Love Dare, there is one common concept presented. It is to dispel the idea that we should follow our heart and replaces that concept with the correct biblical instruction of leading our heart.

In these devotions, I found encouraging and convicting Scripture, practical illustrations, challenging questions, short prayers, and of course, the weekly dare. One of my favorite quotes from this book was ...

"Love is the purest and most powerful motivator. It gives courage to a coward and wisdom to a fool."

An excellent resource, I recommend it highly.

E Santana says

Love this book. It's a great book to have with your love one. It brings the love you have for one another

closer together. It helps your remind yourself that anyone can be IN LOVE or LOVE but to stay together as a couple, that's worth fighting for. It brings a great meaning to life. And you do it through the love of Christ. Great book.
