Family Law: The Essentials William P. Statsky

This newly redesigned edition of "Family Law: The Essentials, Second Edition, provides accurate, concise coverage of family law with an emphasis on practical paralegal skills and technique. The text presents all the standard topics that must be covered in a family law course, but does so in a briefer format than the comprehensive "Family Law by the same author. It is ideal for use in shorter courses or for courses that supplement a text with state-specific material.
