The Leadership Secrets of Billy Graham Harold Myra , Marshall Shelley

A behind-the-scenes analysis of 21 essential leadership principles from the life of Billy Graham Billy Graham looms large as one of the twentieth century's most influential and innovative leaders. Most people are unaware of his remarkable effectiveness as not only preacher and pastor, but as a CEO and a global leader as well. The Leadership Secrets of Billy Graham is full of transferable applications for leaders in the church, parachurch, academia, government, and business. Lively interviews with his closest associates illustrate 21 principles that have driven six decades of visionary impact. First-hand accounts reveal stories of courageous leadership and growth through painful lessons. Graham's relentless application of core beliefs and leadership principles have resulted in, among many honors, being listed in Gallup's ten most admired men thirty times, more than anyone else. Time magazine named him one of the top ten leaders of the twentieth century. This book asks: How did this happen? What are the essentials he embraced to achieve such extraordinary results? What can we learn from him and apply to our own leadership roles? This book is dedicated to those readers . rise to leadership's high calling and are willing to carry its weight . Who are determined to deepen and expand their capacities and effectiveness

From Reader Review The Leadership Secrets of Billy Graham for online ebook

John says

Unsurprisingly, the reader walks away from this book with an even greater respect for the humble and powerful servant of God that Billy Graham was. Unfortunately, I felt the book was neither fish nor fowl. In trying to blend the best of the leadership development strategy with biographical elements, neither was accomplished as successfully as I would have liked. That said, there were plenty of good nuggets in the book: the anecdotes from Billy Graham's life chief among them.

Seth Hein says

What an excellent book on leadership. I learned so much through the examples of Billy's life and through the themes addressed.

Nikki says

One of THE best leadership books I have read. Billy Graham is a leader that is out to please God and not man. He lead this nation as a Christian Leader, by listening and being obedient to what God has asked him to do. I find myself referencing his leadership in my life often. a true disciple of Christ!

Terry Morgan says

Powerful, moving, inspirational, and instructional. These are just some of the words I would use for this book. One of the best books I have read recently.

Aaron Cash says

Such a Powerful book describing some incredible wisdom and insight in ministry and leadership. Looking through the life of Dr. Billy Graham for invaluable and incredible these character developing lessons are sure to change your life, advance your career and increase your spiritual development and exponentially improve your ministry journey

Jenn says

This was a good balance of biography and guiding principles for leadership. I appreciated the transparency of Graham in his failures and his humility in success. God's grace and power are evident in his life and through this book.

Mike Brady says

Excellent book on leadership from a different angle. Well worth the read!

Daniel Hendon says

BEST LEADERSHIP BOOK I'VE READ IN A WHILE. I found this hidden gem as an audio book in the library. I found myself getting misty eyed while driving because of the powerful ways that Billy Graham led with love and strength.

Zach Fischer says

Best book on leadership ever written.

Scott Stevens says

One of my favorite leadership books. One of few who truly was and is a servant leader. :)

Lynn says

Well written. Takes a different perspective; rather than a biography, picks out strengths and explores them from a broader viewpoint. Very favorable for Billy - leaves you believing he was indeed a remarkable man who has had a remarkable and unique ministry.

Scott says

This is not only a biography of Billy Graham "America's Preacher" but also a leadership guide that will prove useful in all areas of influence. Whether leading a Not For Profit or a Fortune 500 or something in between -- This book has something for us all!

Bart Breen says

Who Knew? Though maybe we should have ...

Billy Graham is not thought of as an organizational leader first and foremost, but then again, without the ability to organize and lead, the message for which he will be known as one of the foremost purveyors of in the 20th century would not have gotten out.

What organizations take for granted today, Graham intuitively seemed to know and understand well before terms such as "team-building and "organizational mission" become catch-phrases.

More than just a study in management though, this book is a study in character and deals not just with the triumphs but also the failures and struggles. In that way it reads as easily and as honestly as the subject matter himself.

Especially helpful are the sections that deal with how crusades and cooperative efforts were accomplished without making key compromises. That is as much an art as any science one could offer.

This book has a lot to offer for ministries and Christian organizations, but the principals hold true in businesses of any size.

A very profitable read!

Tiara says

Solid, inspirational points and stories that any leader should know and apply.

Gina Herald says

Another servant leader. A man who lived out what he preached in front of the entire world and did it with humility and grace. Someone to be admired for sure.
