The Great Conversation: A Historical Introduction to Philosophy

Bina Agarwal , Norman Melchert

The Great Conversation: A Historical Introduction to Philosophy Bina Agarwal , Norman Melchert
Tracing the exchange of ideas between history's key philosophers, *The Great Conversation: A Historical Introduction to Philosophy*, Seventh Edition, demonstrates that while constructing an argument or making a claim, one philosopher almost always has others in mind. It addresses the fundamental questions of human life: Who are we? What can we know? How should we live? and What sort of reality do we inhabit?

Author Norman Melchert provides a generous selection of excerpts from major philosophical works and makes them more easily understandable to students with his lucid and engaging explanations. Extensive cross-referencing shows students how philosophers respond appreciatively or critically to the thoughts of other philosophers. The text is enhanced by two types of exercises--"Basic Questions" and "For Further Thought"--and numerous illustrations.

Also available to serve your course needs: The seventh editions of *The Great Conversation: Volume I: Pre-Socratics through Descartes* and *The Great Conversation: Volume II: Descartes through Derrida and Quine*
