My Weirder School #12: Mrs. Lane Is a Pain! Dan Gutman , Jim Paillot (Illustrator)

With more than 10 million books sold, the My Weird School series really gets kids reading!

For A.J. and the gang at Ella Mentry School, weirdness and fun are all part of the routine. In this twelfth book in the outrageously funny My Weirder School series, Principal Klutz hires a talent coach, Mrs. Lane, to help the kids prepare for the Ella Mentry School talent show. But what will A.J.'s talent be? And what happens when Mrs. Lane tries to steal the show?

Perfect for reluctant readers and word lovers alike, Dan Gutman's hugely popular My Weird School series has something for everyone. Don't miss the hilarious adventures of A.J. and the gang.

Kathleen Fuller says

Yes, sometimes I read kid's books. I'm so glad I discovered this series because listening to these books is a joy and at times really funny. A great book for kids (and for those of us who are kids at heart).

Ali says

These books are hilarious and very relatable to students. Nothing you'd want to teach a comprehension lesson with, but very funny.

Jenn Lopez says

OMG! I don't know why I never read any of the Weird School books before. This was so funny! I have to read more.

Alison Smith says

I didn't expect to like this. I mean it is for little kids but I read it anyway. I guess it would be good for a little kid.

Lisa says

Another funny installment, this time its a talent show.

Amanda says

More of AJ and Ella Mentary school. My 6 year old is finally getting tired of these and I'm ready for a break! Cute for elementary kids, a little repetitive for adults.

Ndb2010 says

it is so funny. I loved it!

Christine (KizzieReads) says

Another winner for my son. He can recite a lot of it from over exposure but he really loves these books and that makes me a happy mom.

Shelli says

Dan Gutman understands young reader's humor and has created a fantastic book formula to draw in even the most reluctant of readers. The My Weird School series is perfect for students to practice their reading skills with its repetitive yet hysterical narrative and story lines. But don't mention that part to your kiddos, they might run away in fear they could learn something! A must have collection for any grade school library or classroom!

In this edition Mrs. Lane, reality-star-failure-exordinaire, steps in to teach the students of Ella Mentry School how to best compete in their very own talent competition "Ella Mentry Schools Got Talent" and you get to see it live and in person! So sit back, laugh yourself silly and have some Porky's Pork Sausages and watch the talent unfold.

Sara says

The students at my school LOVE the My Weird School series by Dan Gutman, so I thought I would try one and see what they are like. I chose one at random - I think that was a mistake and I should have started the series closer to the beginning. This book is part of the My WeirdER School series, and the book has a ton of references to the original series. I can see what they like about the book. It is very relate-able as it takes place

at a pretty ordinary-sounding elementary school, and has many mentions of "line-leaders" and "door holders" and other things that elementary kids concern themselves with. I did think that the main character was a bit on the rude side, but the book did have good humor. This is definitely nothing to push a kid out of their comfort zone, but certainly seems like a great series for building confidence. I will have to try one of the earlier books out to see how it compares!

Anna says

Cool book.

Stephanie says

Mrs. Lane Is A Pain! by Dan Gutman its a book about a boy that is having a talent show in his school.The book is about a boy named A.J that is having a talent show in his school but he is not sure what he could do.I did likes the book because its funny and interesting.I would recommend this book to my friend from L.A.

Puppy says

Mrs.lane is a cheater pant

Jnase1 says

The second and third graders at my school love these books. They like that they are funny and use words like "shut up" and "butt" as well as the exaggerated humor, some of which they don't always get. What I like about these books are the many idioms contained within each. It might be fun to make a class book about all the idioms and their meanings contained within each book...and you can also use this time, if you so choose, to address why using the words "shut up" and "butt" in school are frowned upon.
