Roommate of Fire Aiden Bates

A Gay Romance Erotica MM

Neil, a man desperate to escape what he determines as a boring existence, moves into the big city to escape his hometown and start to live his life. He meets Simon, the life of every party, womanizer and the only person willing to take him in at such short notice. They quickly become friends, going to parties and bars, giving Neil the life he always dreamed of. As he finds himself having feelings and lusting for his new roommate, he triggers a sexual awakening in him that gives him more than Neil could possibly ask for.
