"GIRLS" AND GHOSTS

Mizuki and her friends go to the country, where they meet and try to help a ghost pining for his lost love. Then, for the big Christmas dance party, Mizuki and Nakao are recruited to help make up for a shortage of girls--by dressing up as girls! This turnabout for Mizuki, however, proves to be the least of the complications that flare up when the whole ploy proves too successful!

Cath says

3/5 stars.

This series is so addicting, it's hurting my soul.

Erica says

This manga was interesting, the school dance is an exciting event. Mizuki has a lot on her plate in this book, but she does a good job balancing it. For awhile I was worried about the photographer, but I think he is a pretty decent guy. Can't wait to see what happens next.

Helena says

gah.....

Ananya Singh says

nakao is just soo chilled out... even in the hunter house.

Nur Fadilla Octavianasari says

Whoa, being possessed by ghost.

well I'm reading it at this kind of hour (02.51 am), alone in my room with a little bit goosebumps here and there. Not to mention that outside my room is so damn quite and dark --"

I figured it was time for me to get back to this series and finish it so I might be swapping back and forth between manga series for a little while until I'm done. I did enjoy this one, it just hasn't wowed me and I needed a little break, but I think this was a good volume to come back to.

Yay! Tension and love keep escalating! Sano and Mizuki are so close it hurts! Admittedly, the plotlines are a little ludicrous, but that's not exactly a bad thing in shoujo manga. I also was kind of expecting more from Mizuki in a dress, but I'll take it. She and Sano are adorable.

Morgan says

It's okay. New situations help but the over all problem is staying the same when I think there should be more progress with that aspect of the story. Otherwise it's seen as milking the plot. Which... it is already.

Ashley says

I binge read all of Hana Kimi. It's easy to see why that is so easy once you get into the second chapter of the series. Hana Kimi is filled with complex character moments, tension, and fun. All the characters come to life and its hard to put the story down. I've read my fair share of manga over the years and will continue to. I have the feeling that Hana Kimi will remain one of my favorites. I can't wait to get in a reread.

Starbubbles says

i love rio's parents! since reading this way back in the day, i've wanted a relationship like their's. plus, azuma's sooo good looking. haha...

Jess says

Yes yes. Good.

Zaz says

A bit messy with texts all over the pages as everyone had a lot to say about the ball. There's again a bullying theme and some of the guys are dressing as girls, it's a good introduction for future fan service.

Adrya Ribeiro says

Esse volume começou com um capítulo pra lá de "assustador"..rsrsrs... Mansão assombrada, a Mizuki sendo perseguida por um fantasma..uii...achei lindo o final
É também um Baile de Natal, que mágico e claro todas as intrigas deliciosas...hahaha

Amanda says

Ah yes, the obligatory ghost story & once again, Mizumi in a dress. For a girl pretending to be a boy, she sure gets all frill-ified frequently. I am also amazed @ the number of people willing to keep her secret. But, in the end, the drama of the unspoken first love and the sweetness of figuring out who you really are keeps pulling me in. I will probably read the whole series.
