His Submissive Reese Gabriel

His Submissive Reese Gabriel Linzee's little sister Traycee wants the very sexy Dominant, David Carlisle, to show her the ropes-BDSM style. Straight-laced Linzee is suspicious, even when the breathtakingly handsome, blue-eyed Dom tells her things will be strictly platonic. He offers to give Linzee a demonstration and that's where things go terribly wrong. It turns out that Linzee is a natural submissive with an overpowering desire to serve as a love slave to a strong man. David is that man and he knows it. Too bad Linzee hates him. Passion and anger turn on a dime, with Linzee alternating between writhing with desire and screaming in anger. Can the seasoned Dom rein her in with the tenderness of his voice and the sting of his whip, or will both their hearts be broken in the struggle? Linzee is undoubtedly a submissive, but is she his submissive?

I really like Reese Gabriel books. This one was missing something, but was still a good quick read

Oh.. es la primera vez que leo algo tan explicito sobre sumisos y dominantes.. y la verdad es que se ve bastante interesante.. yo no creo que lo haria claro..a menos de que tuviera demasiada confianza.. cosa que claro.. no creo que cambie..

La forma en que se manejo David siempre en control y calmado aunque muchas veces no era realmente asi y tenia que hacer un esfuerzo por parecerlo me encanto.. mas cuando perdio por completo el control de sus emociones y se puso celoso e irracional XD..

Ella.. interesante como negaba siquiera estar interesada mas aun asi tenia fantasias desde el primer momento que lo conoce :p..

Seems a bit disconnected and rushed.

I have mixed feelings about this book. It has a number of flashes of brilliance where the BDSM Scenes are hot off the charts. But then there a a number of plot holes that convey a story-line that is little hurried. Overall for a little afternoon delight, it's a nice quick read.
