At the Sicilian Count's Command Carole Mortimer

Count Wolf Gambrelli annoyed, irritated... and aroused her. Angelica tried to hate the Sicilian, but couldn't get him out of her head! Wolf had been chosen to protect her, and Angelica hoped her body would not betray her under the intense scrutiny of his gaze. It was clear that Wolf wanted Angelica--and he'd stop at nothing to bed her....

RomLibrary says

Calls her his Angel. Wolf Gambrelli is first introduced to her at a weekend gathering at his friends house, he thinks she's the mistress of a friend. But it's really her dad. Other family members with books. Count Wolf Gambrelli annoyed, irritated... and aroused her. Angelica tried to hate the Sicilian, but couldn't get him out of her head! Wolf had been chosen to protect her, and Angelica hoped her body would not betray her under the intense scrutiny of his gaze. It was clear that Wolf wanted Angelica--and he'd stop at nothing to bed her

Cecelia says

Pretty good but somewhat oldfashioned

Kristina says

It was awful. I actually found myself counting the number of times exclamation points appeared on the page.

Dee says

3.5 stars

Samar Estwacol says

Kay says

3 1/2 Stars ~ Summoned to his business partner's country estate, Wolf is surprised by the beautiful woman he is introduced to. He quickly assumes she is Stephen's 30 year younger mistress. His reaction to her disconcerts him, and he senses that the attraction is not one way, as Angelica is definitely uncomfortable around him. In a highly tensed situation, Wolf kisses her and nearly loses control of his passion. This only reinforces his poor opinion of Angelica, she undoubtedly is a gold digger. When Stephen tells him that he is about to undergo heart surgery, and that Angelica is his sole heir should anything happen to him, Wolf's gold digger opinion is reinforced. But then Stephen reveals that Angel is his daughter from an affair 27 years ago. And now, Wolf is certain that Angel is after Stephen's money, as why else did she wait until Stephen's wife died to surface. However, it quickly becomes evident that Angel truly cares for Stephen and Wolf realizes he's been wrong in his assumptions. And as his feelings deepen for her, he pulls back. He's vowed never to

fall under the curse of love. Angelica sees Wolf as a womanizer, and she hates that he can arouse her so easily. For her father's sake, she agrees when he asks Wolf to protect her during his hospital stay. Falling in love with a man who admits he avoids the emotion at all costs, is not what she bargained for.

I was hoping to see more of the mischievous side of Wolf that we glimpsed in Cesare's story, but instead we have an angry at himself, aroused alpha ready to pounce. His reaction to Angelica consumes him and he can't fathom why, even though he acknowledges that when a Gambrelli man meets his woman, the bond between them is formidable. Angelica has never felt what Wolf makes her feel, but she forces herself to remember she's just another notch on his bed post. Angelica wasn't a push over and she does have a moment or two making Wolf squirm. This was a good read

Hemavathy DM Suppiah says

Yawn fest. Zzzzzzzz.

Adriana Fogaça says

Os Sicilianos 2/3
Paixão Voraz

H Special 10
2009

Pra quem já esta familiarizado com esse tipo de romance, não há novidades.

Típico, italiano, gostoso, mulherengo, machista e blá, blá, blá...

Única novidade, hilária, é a tal da maldição da família Grambrelli.

De resto, mega normal.

Dei 5 estrelinhas pra a maldição.

Dei 1 estrelinha para estória.

Então, média de 3 estrelinhas.

kkkkkkkkkkkkkkkk.....

Recomendado!!!

Muito bom!!!

Now I've read all the books in this series.

Delaney Diamond says

This is the second book in the trilogy *The Sicilians*.

Wolf Gambrelli met his match when he met Angelica. When he's first introduced to her, he thinks she's the mistress of a friend. That doesn't block the intensity of his attraction for her, nor does it keep him from putting his hands on her. The author does a good job of presenting Wolf's struggle with this ethical dilemma over the first chapters of the book so that he doesn't come off as a complete jerk.

For her part, Angelica wants nothing to do with him because he reminds her of her biological father--a playboy who changes mistresses like he does his socks. Still, despite her better judgment, she succumbs after his very persistent pursuit. There's a funny scene where she actually *runs* from him, but, the "Angel" was no match for the "Wolf."

I liked the parts where we were introduced to Wolf's cousin from the first book, so we could catch a glimpse at their happy domestic life. Watching his cousin and seeing Angelica with the baby served as catalysts for Wolf to see himself as a husband and father.

Overall, a good read that held my interest throughout.
