A great series for the young horse-lover! I read the whole series as a kid and each book keeps you interested and racing for the next!

Beka P says

Awesome!!!!!!!!!!!!!! I like having the hurt kid in the story!!

Christine Hughes says

lots of good issues mixed in with the story, e.g. heroine has to spend her time working with a colt with a cranky 16-year-old.

Kyllian Genzmer says

another good one

Maya says

It's an awesome book. I love how Gabe and Firefly bond together and how they help each other heal from their injuries (both physically and emotionally). I love this series and hope the author keeps writing new books for it!

Sam must help an injured mustang recover from fire burns, and in the process, help a boy named Gabe recover from his car accident. Overall, this book was one of my favorite. It was extremely fun and an intriguing book.
