The Immortals

Natasha Peters

The Immortals Natasha Peters

Amalie Berenger is magnificently beautiful and monumentally bitter. Humiliated beyond measure in France during World War II, she has come to Shanghai with only one purpose - to murder the man who tormented her.

She doesn't expect to meet her long lost mother, one of Shanghai's most prominent women, and the father she never knew, a brilliant political leader.

She doesn't dream she will fall in love with Michael Cassidy - a Catholic priest.

She can't imagine amid the turmoil of China's communist revolution, she will finally become the woman she was always meant to be.

Nicci says

On my bookshelf for years.

Cindy says

I had never heard of this author, and I nearly decided to give the book to Goodwill after it was given to me. I decided to read it after all, and now I want to read every one of her books. It got to the point that I literally could not put the book down. I wanted to see how it turned out, and I couldn't wait. I loved this book.
