I loved this series....am still loving this series. Could not even update or review before reading the next one. I sometimes read like 3 of these books a day!

Some of it was a bit rough for my taste and I can not believe that people have that much sex but each to his own in my opinion!

The storyline was very interesting! Book 17 needs to come like in now!

SHOE OF FORCE !!!

Wowza! I am in love with this series! What He Hides is Book Seven in the amazing new What He Wants Series by Hannah Ford. This series totally rocked my world! Each successive release becomes more interesting, exhilarating, mysterious, suspenseful and sexy. The story is exciting, thrilling, compelling, powerful, mysterious, suspenseful, enticing, addictive, romantic, seductive, sensual and steamy. The dialogue is smart, well written, intelligent, arousing and flows effortlessly. The characters are fascinating, captivating, engaging, intriguing and sexy as sin. Law student Charlotte Holloway may only be 21 but she has worked tirelessly to gain favor with her law professor and now she finally has the long awaited opportunity to prove her worth. She has been assigned to work with him on a very high profile murder case. The client is a none other than Noah Cutler, a very powerful and sought after attorney himself. But at her first meeting with the new client, she realizes that Noah is her mysterious one time hookup from the bar the previous night. Huh? What the heck? And as women connected to Noah continue to turn up dead, Charlotte is drawn deeper and deeper into his life and his world of BDSM. Despite her resolve, Charlotte has fallen in love with the mysterious Noah Cutler and desperately works to clear him of the murders. So when an anonymous caller instructs her to visit Force, a BDSM club and seek out Audi James for information, she convinces Noah that she wants to become his submissive and accompany him to the club. But that decision may just be the biggest mistake of her life! And it seems that Noah Cutler has plans for the naive, young Charlotte and they include much more than simply working on his case. But what are his motives and what plans does he have in store for Charlotte? Will Charlotte become another victim of murder? Will her love for Noah and desire to exonerate him cost her everything? Oh my! Sexy dominant attorney-check! Beautiful submissive law student-check! Danger, murder, mystery, betrayal, intrigue and suspense-check! Romance, seduction and steamy sex-yeah baby! One hell of a great ride! I can hardly wait to read Part Eight. This just gets better and better! One hell of a great ride! Fabulous entertainment and an awesome read!

Cassandra Hunt says

This series is a total cliffhanger!!!

I don't know if the sexy lawyer is guilty or not. It's hard to focus on that aspect during the many kinky hot sex scenes. Can't wait for number eight!!!

Dina says

3 and 1/2 stars!

As much as I'm liking where this is going.. I'm getting really frustrated with these two!!

UGH!

Julie says

Saga continues with Noah and Charlotte, plot thickens and great scenes. Noah and Charlotte need to trust each other to open up! Love the drama, which makes me laugh and the suspense. Is Noah a murder?

Maggie2u says

Signed, sealed, delivered

Noah, has Charlotte's trust, or so he thinks. Charlotte is willing to do anything for Noah. The price she will pay? Is it worth her life, i don't know. I guess I'll be waiting for book 8 to find out.

Dora says

Wow, I love this series, and what a cliffhanger—the suspense continues! Hannah did it again with this book in making you want more and you cannot wait to read the next book to find out what happened. I cannot wait to read the next book.

Cecily Kyle says

I probably liked this book more than most of the other ones I have read so far in the series. I like that we finally get to read about "Force" and that it ends so intensely. I should be going to sleep now but I can't leave it off here...

Lori says

Out of the frying pan and into the fire!

Charlotte has got her work cut out for her. It must be hard trying to defend Noah from murder charges when his total defence so far is "trust me". Trying to find out more about Noah is proving to be a challenge. He

seems to be very private and secretive. I wonder if Force ill have the answers she is looking for?

Lucy Edwards says

Maybe it's just me but I'm getting really really annoyed with a series that has 8+ books to it. Personally I don't think a series needs to be dragged on this long. This story, while I'm curious of the outcome is testing my patience and hopes that the author wraps it up soon.

Danielle Bell says

I have read all 7 in 24hrs..I need to find out what happens

Lelee Dow says

Wow just when I thought I was going to figure this whole thing out I don't know I need to wait for the next book to find happens to Charlotte's mosey butt! She should have been a reporter instead of a law student lol!

Nolette says

Chapter 7 - Force

Very good cliffhanger again! I wonder if this was a complete novel if I'd be this interested in the story... Charlotte is getting into something she can't control ("Don't do it!" I want to yell) and I want to smack Noah in the head with a two-by-four. I give it great marks for writing, I feel for these characters, I'm just hating the feeling of being strung along with no end in sight!

Bebe465 says

Over the top

Well things are popping now. Charlotte is all in and I don't know where that is going to lead her. Noah is still a question mark to me. Want to see this lawyer make his move.

Ashley Workman says

Ughhhhh

So frustrating to have to wait for the next book... I wouldn't read this book if it wasn't for kindle unlimited, don't get me wrong the book is great and very sexy , but this waiting and waiting really stinks!
