Maximum Guilt Terry Keys

In the thrilling sequel to Chained Guilt, Detective David Porter returns and again comes face to face with the harsh reality that a loved one is missing.

He is also chasing a twisted, sadistic killer known as the Widow Maker who is murdering some of Houston's most powerful men in some of the most gruesome ways imaginable.

Follow Detective Porter across the swamps of Louisiana and the country roads of Mississippi as he tries to solve both cases and save the life of his little girl.

All of his detective skills will be put to the test in this fast-paced game of cat and mouse!

Connie Hamby says

A wonderful book

Terry keys rocks I just read the best two books I have read in a long time and I will be reading more of his books

Michael Arnold says

A fantastic sequel. As before, I love the characters and the plot. Very entertaining author.

Lisa Denn says

Couldn't wait to sink my eyes into the follow up tale to Chained Guilt. The author delivered another fantastic thriller.

I was slightly disappointed in the ending at first...I guess I would have liked to see Stacy suffer a bit. It seemed a bit unfair given all she had done to Miranda and the violence she unleashed on those she killed throughout the book that there wasn't some sort of retribution. Although after a few hours passed I found myself thinking, "Actually, that was the perfect ending for the characters in the book."

If you like cat and mouse chase-style stories grab a copy of Chained Guilt and Maximum Guilt. You won't be disappointed.

Heather says

Very soap opera-esque

sylvia says

A good stomach!!!

I like all the other books , but this one got to me. It was more than I could go. Give it a try they are good.

A High Octane Thriller

Terry Keys has done it again when it comes to writing gripping murder mysteries. Brittany Foy, known as Widowmaker, is out for retribution against the men who committed a brutal act against her, years ago, at a bachelor party, but the plot becomes even more intense when Detective David Porter's past catches up with him, revealing a scandalous secret and its connection to the past kidnapping of his wife, a detective, and now his younger daughter. The well-written narrative depicts manipulation, deceit, betrayal, infidelity, shocking revelations, terror, torture and murder, and twists and turns that will take you on a roller coaster ride. The villainous characters and various locales keep the plot moving, building up to an ending that will leave you flabbergasted, reminding us that the choices you make today may cost you big time tomorrow. Fans of the character, Alex Cross will take great pleasure in reading this crime story.
