### Callie Stillion says

The Boxcar Children save the day again! Mark`s paper on space is missing and it needs to be returned. What will the Aldens do to save this important day?

---

### Bailey Marissa says

This was one of the better ones because there were actual consequences to actions taken in the story and the kids are actual helpful in the situations they face.

---

### Karen Broughton says

Really enjoyed reading this story, it is a children's book, so understandably is a light read. wish i had found this series years ago when i was a child, i would have devoured the whole series. still i did enjoy it and will be reading more.

---

### Lara says

I like that there is this big outer space mystery. There is a really nice girl named Rachel. But, she ends up being one of the crooks. But I'm only giving out one crook, there are more!

### Rebecca (whenallotherlightsgoout) says

One of my favorite childhood series. I read over a hundred of them. The first 50 or so were in order; after that I read whatever book I could get my hands on :)
