Aces High Kay Hooper

New York Times bestselling author Kay Hooper weaves a tale of betrayal and second chances as two lovers torn apart by deception team up for one last mission.

Recruited as a spy out of college, Katrina Keller learned to use every asset at her disposal to ferret out sensitive information for the Americans. But after her cover was partially blown, the love of her life—another federal agent—left under the impression that she had betrayed their country. In response, Katrina buried her pain and sought refuge in a low-key operation run out of an amusement park. Then, just as Katrina thinks she's really moved on, Skye Prescott crosses her path once again.

Skye never recovered from Katrina's betrayal. Hiding in the shadows, he turned himself into a reckless, ruthless force of nature. But when his supposedly piece-of-cake mission thrusts Katrina back into his life, he quickly realizes he made a terrible mistake by leaving her without digging for the truth first. Skye's nature demands swift action. Nothing gets in his way when he decides what he wants. And now not even Katrina's protests will stop him from winning her back.

"Aces High" is the story of Katrina and Skye.

The conclusion to the Hagen saga, this tells the story of ex lovers Katrina and Skye, who were torn apart by betrayal and secrets 6 years ago. Why Skye immersed himself in recklessness, Katrina spent a year being tortured in prison and since then shields herself against all the hurt.

When they join hands to eliminate a common enemy, past secrets are exposed and true feelings re-emerge along with the pain of past faithlessness. Can these separated lovers reunite?

I really enjoyed the angst and sex filled journey between the two MCs. The hero was foot-in-the-mouth, impulsive and reckless; the heroine was cautious, strong and forgiving, and when they decided to take the second chance with each other, there were sparks!

A good conclusion to the series, where we see glimpses of HEA of all the members, and a surprising one for Hagen and Gigi. ADORED the epilogue (for all!)

Co k tomu říct? Hezky se nám uzavřely příběhy lidí, o kterých jsme ani neslyšeli. Tohle nakladatelství poněkud nezvládlo.

Satisfying Conclusion to the Hagen Series

FINAL DECISION: A romance about second chances with a sexy hero. Fun and adventure in the plot which wraps up the whole series neatly. For fans of the series, this is a satisfying conclusion.

THE STORY: Skye Prescott has taken the role of the agent in the dark for years. He had fallen in love with a woman who he learned with a Soviet spy and it almost destroyed him. When he meets her again, he discovers that he might have been wrong about her role. He is then determined to get her back. Katrina Keller loved Skye all those years ago. Now, she is rebuilding her life and doesn't want to risk her heart again. The two are stuck together in a plot to bring down a terrorist and also teach a lesson to the man who has been manipulating so many for years.

OPINION: This was a book where I enjoyed both the romance and the plot. Skye and Katrina have a sad and difficult history. This story, however, is not filled with angst. Instead, the story stays lighter despite the difficult history. This is a story that lives on the surface which makes it an enjoyable and quick read. I especially liked how different Skye is from his twin brother and how Skye lacks concern for his own safety but will protect himself to protect those who care for him. For how much action is in this book, I was surprised at how much the romance was able to be developed. This book manages to wonderfully conclude the series storyline regarding Hagen (the head of the secret government agency) that has been manipulating the characters in the series. He finally gets his just desserts. Readers should know that this series is light and funny and the characters are larger than life and not realistic. But the story is satisfying and I was especially pleased with the epilogue that gives readers an update on most of the couples in the series (I'm still upset that there are couples who were left out!)

WORTH MENTIONING: The epilogue of this book gives readers a final glimpse at the lives of the various couples from the series.

CONNECTED BOOKS: ACES HIGH is the tenth and final book in the Hagen series. It really should only be read as the conclusion to the series because there are too many characters and assumptions made about the knowledge of the reader to truly be enjoyable to someone who has not read the prior books.

STAR RATING: I give this book 5 stars.

A Vysoká hra dostává krásnou jednu hvězdičku! Proboha, proč si nakladatelství nemůže zkontrolovat, kolikátý díl vydává? Vydat poslední díl ze série jako první? Ne, díky, předchozí díly si nepřeťu, už vím, jak to skončí.

He asked if she was celibate for the last 5-6 years but we never find out if he was.....i hate it when you don't get straight answers about H's celibacy or lack of during a separation!

This book is decently well written, but the attitudes and cultural assumptions are so supremely outdated that I could not find it in myself to like the book at all.

Rozhodování, jestli tahle kniha za to stojí nebo ne.. Hlavně je to 11. díl série a upřímně?? Říct se to dalo, ale pro náročnějšího čtenáře to úplně není... :-)

Klasická love Story. Klasické kliše. Ocenila bych více akce, podmínky k tomu byly, ale ?ty?i hv?zdy, protože nem?žu říct, že by se mi to nelíbilo.
