Wanderlust

Heather C. Hudak

Wanderlust Heather C. Hudak

Lia Jameson is excited to embark on the journey of a lifetime with her best friend, Addie, and the jock who's out to make her his own, Eli. There's just one catch. Alexei is no longer the only vampire eager to get his fangs on her. With Chaseyn out of the picture, Lia must try to keep Addie in the dark about her dangerous secret, while a bevy of new undead allies make every effort to help Lia journey across the European continent unscathed. Will she escape the evil clutches of Alexei? Will she return to Chaseyn? All of these answers and more can be found in the pages of Wanderlust.

From Reader Review Wanderlust for online ebook

Michelle says

I love this series and can't wait to see what happens next!

Nicole says

I have to be honest i skipped in this book. I found it was kind of tedious waiting for her to figure out that Chaseyn is a good guy and there meant to be together. I liked how Eli finally got off her back but not how Lia dealt with it. I was sad that Chip didn't turn out the way i thought she would. I don't think i'm going to read the next one probably only look at the reviews

Heather says

wicked good i so hope she end up turning not him next book cause he said his organs were aging so how could he turn human and live??????? would he have a long life err, cant wiat to read the next book

★Carri says

Great continuation of the story. Can't wait for the third book! Anyone know when it is due out?

Lisa Woodward says

Ok book to help you escape on a quiet afternoon.

Yvette says

Interesting ending, will be reading the next book when it is published to see how it all pans out, which way he will go.

Heatherwestcott says

I am currently reading Wanderlust and I am enjoying it so far I can't wait to see what happens next.

Robin says

Can not wait for the next one to see what happens to them!

Nicole says

This book was an amazing sequel to the first one!! It picked up right where the first one left off. I love the love story between Cordelia and Chaseyn, and the fact that they took a break and he still found ways to prove to her his love, was so romantic. Guess it's the hopeless romantic in me...lol. Can't wait to read the third book to find where their love story will go. Absolutely amazing!

Alexandria Sides says

I'm really happy that in the end that the two main characters are still together, but.... I don't like the idea of Eli and Abbie tho But in the end it was a great book.

Pam says

“Wanderlust” picks up right where “Breathless” stops. In fact it overlaps a few pages. We pick up with Addie, Lia, and Eli at the airport heading for Europe. A trip Lia and Addie planned prior to Lia meeting and falling in love with Chaysen. However the trip comes at a prime time when Lia needs some time away to decide if she wants to pursue a relationship with Chaysen and all that comes with him...or settle for a “normal” existence. Chaysen has enlisted Eli to go with the girls and protect them should Alexei still be stalking Lia.

I picked up “Wanderlust” thinking it was a different series. Once again it was an OK read....fast. Lots of traipsing across Europe and running into people from Chaysen’s past which made for lots of discomfort for Lia...especially running into a past love.

It still really reminded me of the “Twilight” series. I can’t think of anything new or interesting to say in this review that hasn’t already been said about Bella and Edward. Lia is as self-centered and whiny as most 17 year old protagonists. Chaysen is magnanimous and humors her childishness due to the maturity and experience that comes with living for centuries, yada, yada, yada.

I think more than anything I enjoyed it for the twist ending. I will be picking up the next book in the series to see what happens.
