A Patchwork Family

Charlotte Hubbard

A Patchwork Family Charlotte Hubbard

A good wife who can find? She is far more precious than jewels... Meet Mercy Malloy. Whether she's cooking up the best grub to be had all along the Holladay stagecoach line, working her husband's horse farm or helping her neighbors, God's love fills her life. She opens her hand to the poor, and reaches out her hands to the needy... So when two orphaned children appear on her doorstep, she hesitates only a moment before opening her heart and her home to them. Perhaps this is the Lord's way of sending her and Judd the babies they've prayed for. Her children rise up and call her blessed; Her husband also, and he praises her... Out on the Kansas plains the years bring hardship and heartache—Indian attacks, a runaway daughter, an abandoned baby in a basket—but also precious new life and the unlooked for joy of a surprise love. Through it all, Mercy's faith holds her family together, creating a patchwork of strength and beauty.

JoAnn Stearns says

Nice story

This is a story about how courageous men and women had to be back in the early days. We are transported back to living on the prairie, with stagecoaches, Indians , and hard physical work. Everyday these people struggled to survive and prepare for harder days yet to come. This particular story is about a woman named Mercy who came out to the prairie as a young bride. She and her husband run a way station for a stagecoach line. Her trials and tribulations are testimony to how courageous and adventurous these people really were. I am always reminded of how pampered I am with all of today's luxuries when I go back into history like I did by reading A Patchwork Family.

Debbie says

Tragedy and faith with an abundance of love.

A very good book with lots of twists and turns. Nothing about life says it runs smoothly. Children orphaned and abandoned makes this book about a home now filled with children after 6 yrs without any. Really a great story. So much emotions. Enjoy this book.

Lynda says

Loved it

I loved the way Merci and Judd loved each other and how they honored God. Great second chance and waiting for love story.

Stacey Downs Smith says

Awesome Book!

This book is AWESOME!!! I fell in love with it, full of romance and love ,especially Christian love. I recommend this book to read!

Lori says

Wonderful!

I loved this book. I laughed and I cried. I love these characters and won't soon forget them. Just wonderful!!

Tonya says

I had an issue with the author putting down that the king James Bible language is archaic. The king James Bible language is actually easier to say and understand because it is written at a fourth grade reading level. And it never gets more difficult than an eighth grade reading level. However, the story was really well done! I was horrified by one of the main characters dying. It broke my heart. But that's when the writing gets realistic.

marvin shults says

A patchwork family

I thoroughly enjoyed this book. It was warm and sad at appropriate times. It's a nice story for teens thru adults. Submitted by Mrs. M Shults

Patricia says

Fast reading with good storyline!

Very fast reading. Book of family, faith , and the struggles of the difficulties of settlers in the West. Patricia Laduke

Patricia says

Wonderfully written, you feel you are there with the characters. I chose this book as I enjoy stories in this era. Highly recommended!

Patty says

My opion

A very good. Book. IT Holds your attention all the way. Sad,but also sweet. Good boy read a book that's no swearing and not oversexed

hosking,theresa says

Enjoyed this book

Great story with no foul language. And gave some verses from the bible. Nice book to read instead of the news we get today.

Donna Plant says

Loved this book

It's an escape from today's world to go back to more basic times of hard work, faith and love. The fiber that built our country.

Amelia-Irene says

Do have a cry rag handy as you reach the middle to end of this book.

This is taking place in Kansas as a territory - when folks were homesteading and the stagecoach was in the last years of their runs as the railroad was making its way West.

This is taking place on one of the homesteads that was also a stagecoach stop for a change of horses, and taking care of "personal necessities".

Think of a young married couple, who after 5 years of marriage, still hadn't been blessed and a couple of young kids that had been "dumped" by their mother and her "boyfriend" at one of the previous stops and what to do with those kids...

You'll need to read it to find out what happens next.... I love what I've read by this author & will continue to look for her books.

Barb Klein says

I thought that "The Patchwork Family" by Charlotte Hubbard was a wonderful story. A faith-filled couple, Judd and Mercedes Monroe, is running a stage coach stop near Abilene, Texas. They have taken in two "colored" men to help with the farm and duties for the Holladay Stage Line. In return, they are treated like family and given room and board.

One day the stage stops, and the driver, Michael Malloy, asks the couple to take in two abandoned children. Their mother just left them with tickets to Denver and drove off with a dandy. The children are naturally upset and scared. Judd and Mercedes pray about it and decide that they must do what they can for these poor children. The little boy is a joy to have around, but his older sister is not so nice. She has a mouth on her that would curl hair and needs to learn how to behave. It is a challenge for all.

Judd and Mercedes have their share of troubles...no money, hard work, Indians, no near neighbors. But the two of them have their love for each other and the faith to sustain them. The story goes on and the reader becomes more involved the more pages are read. I loved this book and will definitely read the following novels, featuring characters from this first book.

I purchased a free Kindle copy from Amazon.com. No review positive or otherwise was required – all opinions are my own. You can find this review on my blog at <http://wp.me/p2pjIt-nP>, and other reviews on my blog at <http://imhookedonbooks.wordpress.com>.

A Patchwork Family Angels of Mercy book 1

A different kind of family, a different kind of love. A joy to read. A hard life with the blessings of a good husband. Loved watching the story unfold in God's plan. Really looking forward to second book
