A Gangsta's Bitch Part 1 Leo Sullivan

Gina Thomas is a gangsta's bitch, down for whatever. Even after her man, Jack Lemon, is sent to prison, Gina does what she has to do for herself and her man. When Jack wins his appeal, vengeance is no longer just for the lord.

Follow Gina as she rides out for her man, and shows how a real Gangsta's Bitch gets down.

Blah Blah Blah

This book was just not that exciting to me. Because I enjoy reading and critiquing what I've read,I just read on. I'm not that interested in reading book 2.

Sasha Brown says

The ghetto prince of urban reading....

Aaron Passley says

Banging Book

Good one Leo....I don't have any money ?to but I'm going to get the next couple of books you wrote

Kairo says

The message to the black community in this book is all I remember. Loved that aspect alone.

Mirrlees says

White girl (Georgia Mae) got game. Jack is a bit to much for me he ain't trying to follow no rules he moving like the world belongs to him. Monique is doing her thing trying to make life the best she knows how. Will there be more bloodshed in order for everyone to survive. Rasheed most innocent character seems to have trouble follow him every time. Smh. Ok let me move in to part 2 to see what jack is up to.

Rebecca Malott says

It was ok.

Its a good book... I feel like it went too fast. And it never said what happened to Monique. I do really want to read the second to see who the 3rd party is.

Cynthia Jarrett says

Not much about the gangsta's bitch. However, this book was a good read. It kept my attention long enough to buy the sequel.

Carolyn Taylor says

Glad I finally read this book. Shows how racism still exist towards black peoples, and in the music industry. The jurisdiction system made jack crazier. Hope Rasheed catch a break and make it to the NBA. Poor Monique hope she survives her attack. Georgia Mae was a rider hope she survives. Gina getting into all kind of trouble behind jack vengeance towards the people who did him wrong. What's gonna helping next? Can't wait to find out.

Once I start reading a book...I have to finish it...That's just the way I am...If it wasn't for that I would've stopped reading at the 2nd or 3 chapter...In the summary it tells us about the so-called "main characters" Gina and Jack...But Rasheed and Monique are the main characters because 75% of the book is about them...Gina and Jack are barely in the book so why is the book called "A Gangster's Bitch"? it's pretty confusing...another thing that bothered me was that I felt like the author tried a little too hard to use intellectual words...I spaced out reading this most of the time because I was irritated with the writing...I mean it's one thing to have a broad vocabulary...but there is a such thing as overdoing it...and he overdid it...To sum up my review...I was very excited to read this book...but I was very disappointed with it overall...and to be honest...after reading this entire book...I still don't know what the main plot of the book was!

Kevin Hammond says

I suppose lots of people will look at this and not see anything new. A lunatic with a penchant for sadistic murder gets out of jail to get his revenge and his friend is being sucked in but trying to better his life for himself and his family. Plenty of racism and hardship in urban life with the lure of money and drugs and depravity just around the corner for al characters involved but, and there is a but.

it is pretty good. there is something very compelling in the what's going to happen next nature of the story. the characters are well written and you really need to see what is going to happen to them, even the lunatic who is out of jail and on the path of vengeance against the people who put him there. it isn't too long for a book but be warned, if you are going to read this one, it is going to be very difficult to set it down or leave it for a while before you have to come back to it.

Shannon says

Jack & Gina are 2 of a kind they will knock anybody down that comes in there path Jack couldn't wait to hit the streets again after being in prison for so long when all the while he knew that he was set up REVENGE is

his motto Rasheed & Monique are 2 high school kids that fell in love but I do understand why she chose to do the things she do bcuz she wants a better life for her family now that I have read the ending it was time for some whoop ass I just hope Monique knows what she has gotten herself into on to the next book

Rebecca says

1st time reading one of Mr Sullivan's books. Loved it. I loved the relationship between Rasheed and Monique. They were a young family unit. Jack was off the chain with his payback mentality. Gina was truly Jack's ride or die chick. Would definitely recommend this book.

Antoinette says

good read

Shy says

This was a good book....it kept me wanting to read more.

Tiarra says

This was an amazing read jack lemon is something else i hope Gina survives this ordeal with Tatyana and game she has something up her sleeve but i hope gina open up her eyes very quick i was literally on the edge of my seat with this book this was an amazing read if u haven't read this book u are missing out on a great read and an amazing author!!!!
