the best one of the last 10 issues. stay in the goddamn house, carl!

Jess says

CARL YOU LITTLE FUCKER!!

Yolanda Sfetsos says

Holy shit! That cover is awesome and Carl is super bad ass. I can't believe he hid in the truck and had the balls to surprise them as soon as they reached their compound. He even took some of them out! Wow. Very impressive. Very heroic. But he's getting himself into some *big* trouble.

Actually, between finding the guy tailing the prisoner they released and this, I'd say Rick and the gang have a lot of horrible stuff heading their way...

Sara says

Woah- Carl has taken things into his own hands! Daaaaaang!

Isa Belle says

Carl is a badass kid.

Laina says

Ugh. I really hate Negan more and more every time he opens his mouth. He's such a damn prick. I'm so impatient for Rick or someone else to take this damn asshole out already. Just fucking do it!

Oh snap, look at Rick. I get that he hates following Negan's rules, but he doesn't need to be an asshole to Denise. She never did anything to him and Rick just needs to get the hell over himself.

I don't like that Rick was all, 'get to it and do what I say.' He needs an ass kicking just like Negan does. Rick knows better than to treat people like shit. It's going to come back and bite him in the ass.

Why the hell was Rick yelling for Carl? Carl didn't do anything wrong, and he's just a kid. I don't know if he even knows JUST how dangerous Negan and his men are to Alexandria and the other communities.

Oh shit, is that Carl hiding out with a gun? Does he REALLY think that he's going to take out Negan and his men? I'm sure that Carl's a decent shot and all, but he's just a kid, and only one person against Negan's huge group.

Oh crap, they have Jesus! I knew that he was going to get caught and end up getting killed. Shit, this is something that Rick and the rest of them in Alexandria don't need to deal with right now!

Oh shit. I'm sure that since they're not gonna kill Jesus right away, Negan will torture and question Jesus. And whether or not Jesus gives Negan and his men information, they're going to kill him anyway.

Holy crap, do they really let all those zombies roam free in front of the place where they live? Oh wow! Jesus managed to escape from Negan's men! I'm so glad and I hope that he gets back to Alexandria okay, without turning into zombie chow.

Ugh. I don't like that Negan has WIVES. Plural. Hell, I feel bad for ANYONE he's married to or dating or having sex with. I don't see him as the kind of man who takes care of his partner. I have a feeling he's into pain during sex, which grosses me out.

Oh my God! Carl, I can't believe you made it into Negan and the Savivors compound! Holy shit, kid! I hope you really know how to use that gun, because with as many men as Negan have, they'll all be coming after you soon.

I can't help it. Carl just looks so fucking CUTE with that gun. I know he might be considered dangerous, but I still just see him as a little kid. A kid playing with an grownup toy.

Huh, yeah right. Like I'm really going to believe that Negan's scared of Carl, or would be scared of ANY kid for that matter. Especially because they're a KID. I think that Negan's just lying his ass off.

HELL FUCKING YES! I LOVE that Carl shot at Negan and his men some more. Also, I'm surprised that Negan didn't want to let Dwight go after Carl and kill him. Oh God, the way Negan said GUEST, makes my skin crawl.

Carl unleashed

Alyssa says

Definitely a set up issue for what is to come. Can't anyone EVER keep an eye on Carl!?

The Walking Dead, Issue 104 should be a lesson in child discipline. Why is it that in 104 issues, not one single adult can properly watch Carl and look out for this poor kid's well-being? But I do have to give props to Carl because, damn, that kid's got *balls*!

I'm happy to see my favorite ninja, Jesus, in action again. I hope that the next issue shows him kicking some major bootay. Negan is such a vile beast. I want someone to shove Lucille right through his pee hole!

Daniel says

Ese Carl por fin sabrá lo que es bueno.

Verónica says

Ole los huevos de Carl!!!! Que los tiene mas grandes que su padre... Super interesante, a ver como sigue....

Nicolás Fanjul Arguijo says

A little messy. Awesome number.

Júlio says

[I mean, he just took the character that is most adapted to this broken world, a child growing up with no emotions and totally guided by his survival logic, and made him do something based only on emotions! This isn't Carl, this isn't something this little crazy man would do, I guess. (hide spoiler)]

Collin Huster says

One word. Carl.
