From Reader Review The Superintendent's Fieldbook: A Guide for Leaders of Learning for online ebook

Karen Jackson says

An excellent start book for someone interested in exploring whether to become a superintendent. It is written by a panel of experts which provides a variety of perspectives. An array of topics are covered with practical guides on how to handle a particular problem. For example, how to communicate to the public or how to set up focus groups and when is this appropriate. It can be utilized after first reading as a reference particularly for new or aspiring superintendents.
